TO: Mayor

FROM: Wayne

SUBJECT: Group Life Insurance

Several weeks ago, Alice and I met with Puffer Newman to discuss proposals for group life and short and long-term disability income coverages. In this memo, I am going to address only group life and AD&D coverages.

The current carrier for life and AD&D is American National; life coverage is one times salary, while AD&D coverage is three times salary. Monthly costs for this coverage averages \$2,612.

Puffer has offered coverage through Ohio National at **two** times salary and AD&D at three times salary, with an estimated monthly cost of \$2,394. (Ohio National is highly rated by A.M. Best, Standard & Poors, and Moody's.)

As you can see, Ohio National would provide our employees **twice the coverage** at an annual savings to the City of \$2,616.

In order to be sure that Ohio is not buying our business, I checked with Sam Bryson regarding the rates being proposed by them and he tells me that, based on the average lives of our employees, this rate is "in line" with the national average.

Consequently, I am recommending that we consider changing our life and AD&D coverage to Ohio National with coverage at two times salary.

SUBJECT: Change in Group Life Insurance Carriers

After our work session of January 11, 2001, I am recommending to you and the Board that we change our group life insurance from American National to Ohio National, to be effective (after Board approval) subsequent to proper notification to American National of our intent to cancel and enrollment of our employees on the Ohio National plan.

Re: Group Life Insurance

Dear Wayne:

I have had the opportunity to review the insurance proposal for the City of Clinton on the above mentioned coverage. The proposal seems to provide similar to existing coverage at a slightly better rate. The carrier is rated A+ by A. M. Best.

I have no reservations about recommending this program and agent as an alternate to your current plan.

Should you wish to discuss further, please feel free to call.

Best regards,

Samuel L. Bryson

January 12, 2001

Dear Mayor Aultman:

This letter of application expresses a sincere interest in becoming a member of the Clinton Public School District Board of Trustees.

As a member of the Clinton community for over twenty five years, I have an special affinity for the Clinton Public School District. As a 1984 graduate of Clinton High School, I knew of the district's commitment to excellence in education. Now as a parent with children attending school in Clinton, I have been impressed to find that the vision has not changed, but the commitment to children receiving a higher quality education has deepened.

Having spent several years as an Early Childhood Administrator, I know firsthand the importance of being a member of a team. In 1997, I became a member of the Central Office staff of the Clinton Public School District in the business department as the Insurance Specialist. While in that position, I gained further insight on how the district works hard to maintain superior status in education.

My community and district involvement includes:

- CPR/First Aid Instructor - American Red Cross
- Parent Teacher Association
- Teacher of the Year Selection Committee
- Reading and Literacy Partnership Committee
- Title I Planning and Advisory Committee

I have enclosed my resume and look forward to an interview to discuss my qualifications and experience and how I may better serve the Clinton Public School District.

To schedule an interview, please call me at 601/924-6805.

Sincerely,

Denotris R. Jackson
