It is altogether fitting and proper, as we stand at the end of the twentieth century, and look expectantly toward a new millennium, that I take a few moments of personal privilege to ask that the following comments be entered into the record of this last meeting of the Mayor and Board of Aldermen of the City of Clinton of this millennium. It has been a distinct honor to serve the citizens of Clinton as their Alderman at Large, and to serve alongside not only some very dedicated colleagues, but people I consider dear and trusted friends. I am confident that a hundred years from now future Clintonians will look back on the closing years of this millennium with gratitude, amazement, and appreciation for the critical decisions this Board made on behalf of our city. I have great faith that this Mayor and Board will be remembered for their vision, courage, discipline, long range planning, and deep love for our community and our citizens.

The City of Clinton stands ready to face an exciting and challenging new millennium with a solid foundation. A foundation built by a team of dedicated city servants. So it is with a deep sense of gratitude that I express my heartfelt thanks and appreciation to Mayor Rosemary Aultman, my fellow Board of Aldermen members, Sharbert Lott, Herb Touchton, Clint Brantley, Phil Fisher, Rodney DePriest, and Tony Hisaw, to City Attorney Ken Dreher, to our dedicated Department heads, Chief Don Byington, Chief Bryan Presson, Richard Broome, Tim Rogers, Nelson Byrd, Michael Taggart, Jim Powell, Gary Ward, Wayne Derrick, and to all of the other faithful employees of the City of Clinton.

In closing let me share some personal words that I would like to be remembered for:

Four things a man must do if he would write his record true;
To think, without confusion, clearly;
To love his fellowman sincerely;
To act from honest motives purely;
To trust God and Heaven securely.

What a joy to call the City of Clinton, my hometown!
