RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE CITY OF CLINTON, MISSISSIPPI, FINDING THAT ITS RESOLUTION ADOPTED ON MARCH 5, 1996, DECLARING THE NECESSITY OF ISSUING BONDS IN THE MAXIMUM PRINCIPAL AMOUNT OF THREE MILLION, ONE HUNDRED THOUSAND AND NO/100 DOLLARS (\$3,100,000.00) WAS DULY PUBLISHED AS REQUIRED BY LAW AND THAT PETITIONS FILED WITH THE CITY REQUESTING AN ELECTION ON THE QUESTION OF INCURRING SAID INDEBTEDNESS DID NOT CONTAIN THE REQUISITE NUMBER OF SIGNATURES OF QUALIFIED ELECTORS; APPROVING THE BORROWING OF SAID MONEY AND THE ISSUANCE OF SAID BONDS; AND STATING ITS INTENTION TO TAKE FURTHER ACTION REGARDING THE BONDS AT A LATER DATE.

WHEREAS, the Mayor and Board of Aldermen of the City of Clinton, Mississippi (the "Governing Authority" of the "Municipality") hereby finds, determines, adjudicates and declares as follows:

1. Heretofore, on the 5th day of March, 1996, the Governing Authority did adopt a resolution, among other things, declaring the intention of the Governing Authority to issue general obligation bonds in the maximum principal amount of Three Million One Hundred Thousand and NO/100 Dollars (\$3,100,000.00) to raise money for the purpose of paying the costs of constructing, improving, and paving streets, sidewalks, and bridges, purchasing rights of way and real property therefor, and performing site and drainage work and performing all other work necessary to complete the project, and paying the cost of such borrowing, at a total project cost estimated to be \$3,100,000; and establishing 7:00 p.m. on April 2, 1996, as the date and hour on which it proposed to give final approval to said borrowing and authorize the issuance of said bonds on or prior to which date and hour any petitions requesting an election on the question of incurring said indebtedness were required to be filed.

2. As required by law and as directed by the aforesaid resolution, the said resolution was published once a week for at least three (3) consecutive weeks in The Clinton News, a

newspaper having a general circulation in the Municipality, and qualified under the provisions of Section 13-3-31 of the Mississippi Code of 1972, as amended, the first publication having been made not less than twenty-one (21) days prior to April 2, 1996, said notice having been published in said newspaper on March 7, 1996, March 14, 1996, March 21, 1996, and March 28, 1996, as evidenced by the publishers affidavit previously presented by the City Clerk and included in the minutes of the April 2, 1996 meeting of the Governing Authority.

3. Prior to the hour of 7:00 p.m. on April 2, 1996, petitions requesting an election on the question of incurring such indebtedness and issuing such bonds were filed with the City Clerk. A true and correct copy of said petitions has been presented to the members of the Governing Authority for review and shall to be included in the minutes of the Governing Authority as an attachment to this resolution.

4. The Governing Authority took said petitions under advisement at its April 2, 1996 meeting and instructed the City Clerk to review the petitions to determine if the petitions contained a number of signatures of qualified City electors equal to the lesser of fifteen hundred (1,500) qualified electors or ten percent (10%) of all qualified City electors.

5. Prior to the date hereof the City Clerk did review the petitions to determine the number of signatures of qualified City electors contained on the petitions. As required by Miss. Code Ann. § 1-3-76, as amended, the City Clerk on April 25, 1996 posted in the Clinton City Hall a list containing signatures disqualified from the petitions, stating the reason for each such disqualification, and allowing any individual whose name was posted on such list ten (10) days to present the City Clerk a notarized affidavit and any other supporting information establishing the reason why such individual's name should not be disqualified from the petitions. The

aforesaid list of disqualified signatures is attached to this resolution and incorporated herein by reference. The affidavits and supporting documentation of all individuals protesting the disqualification of their signatures from the petitions have been presented to the members of the Governing Authority and shall be included in the minutes of the Governing Authority as an attachment to this resolution.

6. Prior to the date hereof and prior to the time of the Governing Authority's final adjudication of the sufficiency of the aforesaid petitions, the City Clerk received counter-petitions signed by purported qualified City electors requesting the City to remove their names from any petitions previously filed with the City calling for an election on the issuance of the bonds. The City Clerk reported that he removed the names of all individuals signing a counter-petition from petitions calling for an election on the issuance of the bonds. A true and correct copy of all counter-petitions filed with the City Clerk has been presented to the members of the Governing Authority for their review and shall be included in the minutes of the Governing Authority as an attachment to this resolution.

7. Based on his review of the petitions and counter-petitions, the City Clerk reported the following determinations to the Governing Authority:

<u>Category</u>	<u>Number of Signatures</u>
Signatures on petitions as initially filed with the City Clerk	<u>1,744</u>
Signatures initially disqualified, but reinstated to petition upon signatory's affidavit	<u>7</u>
Signatures disqualified and not reinstated	<u>269</u>
Signatures removed as requested by counter petition	<u>277</u>
Net number of signatures of qualified City electors on petitions calling for election	<u>1,198</u>

8. As established by voter rolls provided by the Hinds County Election Commission, which rolls are on file in the office of the City Clerk and incorporated herein by reference, the number of qualified City electors, as of April 2, 1996, was 13,677, and ten percent (10%) of the qualified City electors as of such date was 1,368.

9. The Governing Authority has reviewed: (a) the documents attached hereto, (b) the procedure by which the City Clerk reviewed the qualification of signatures on the petitions, the signatures which the City Clerk disqualified from the petitions and the procedure by which the City Clerk disqualified such signatures, and (c) all other matters which the Governing Authority believes material and relevant to its final adjudication of the sufficiency of the petitions. Based upon such review, the Governing Authority hereby finds, adjudicates and determines that the names disqualified from the petitions by the City Clerk or removed at the request of counter-

petitioners were properly disqualified or removed, that the net number of qualified City electors signing petitions delivered to the City prior to the stated deadline on April 2, 1996 was 1,198, and, said number being less than the lesser of 1,500 or ten percent (10%) of the City's qualified electors as of such date, said petitions are not sufficient to require the City to hold an election on whether the bonds should be issued.

10. The Governing Authority is now authorized and empowered by the provisions of Sections 21-33-301, et seq. of the Mississippi Code of 1972, as amended, to approve said borrowing and authorize the issuance of the hereinafter described bonds without an election on the question of incurring such indebtedness.

NOW, THEREFORE, be it resolved by the Mayor and Board of Aldermen of the City of Clinton, Mississippi as follows:

SECTION 1. The Governing Authority does hereby find, determine, and adjudicate that the foregoing premises are true and correct.

SECTION 2. The Governing Authority hereby gives final approval to the borrowing of an amount not exceeding Three Million, One Hundred Thousand and No/100 Dollars (\$3,100,000) for the purpose of paying the costs of constructing, improving, and paving streets, sidewalks, and bridges, purchasing rights of way and real property therefor, and performing site and drainage work and performing all other work necessary to complete the project, and paying the costs of such borrowing all at an approximate cost of \$3,100,000.

SECTION 3. The Governing Authority hereby authorizes the issuance of bonds of the Municipality in the maximum amount of \$3,100,000 as evidence of said borrowing (the "Bonds"). The Bonds shall bear interest at a rate to be specified by further resolution of the

Governing Authority. The Bonds shall not bear a greater overall maximum interest rate to maturity than the rate now or hereafter authorized under the provisions of Section 75-17-101 of the Mississippi Code of 1972, as amended. The Bonds shall not be sold for less than par and accrued interest. The Bonds shall be dated May 15, 1996, or such later date as the Governing Authority may specify.

SECTION 4. The Bonds shall be offered for sale and issued in accordance with the further orders and directions of the Governing Authority.

Alderman Brabham made, and Alderman Fisher seconded the motion to adopt the foregoing resolution, and the question being put to a roll call vote, the result was as follows:

Alderman O.C. George Ferrell	Voted: <u>NO</u>
Alderman Rodney W. DePriest	Voted: <u>YES</u>
Alderman Ben L. Todd	Voted: <u>YES</u>
Alderman Phil Fisher	Voted: <u>YES</u>
Alderman Herb Touchton	Voted: <u>YES</u>
Alderman Sharbert K. Lott	Voted: <u>YES</u>
Alderman-at-Large Jehu Brabham	Voted: <u>YES</u>

The motion having received the affirmative vote of the majority of the Aldermen members present, the Mayor declared the motion carried and the resolution adopted this the 7th of May, 1996.

A hand-drawn sketch on lined paper. The sketch consists of a vertical line that starts near the bottom left, curves slightly to the right, and then loops back to the left, forming a shape reminiscent of a stylized letter 'L' or a vertical line with a loop. The drawing is simple and appears to be a preliminary sketch or a doodle.

NOTICE OF NAMES DISQUALIFIED FROM PETITION
CALLING FOR ELECTION ON ISSUANCE OF BONDS

On March 5, 1996, the Mayor and Board of Aldermen (the "Governing Authority") of the City of Clinton, Mississippi (the "City") adopted a resolution stating its intent to issue general obligation bonds of the City in the maximum amount of \$3,100,000 (the "Bonds"), unless petitions signed by the lesser of 1,500 or ten percent (10%) of the City's qualified electors were filed with the Governing Authority prior to 7:00 p.m. on April 2, 1996. Prior to such time, petitions were filed with the Governing Authority. In the course of verifying whether the signatories of the petitions are qualified electors of the City, the City Clerk has disqualified the following names from the petitions for the reasons set forth beside each name.

A person whose signature has been disqualified may, within ten (10) days after the date of this notice, appear before the City Clerk and present evidence of his or her qualification accompanied by a notarized affidavit stating the reason that his or her signature is qualified for the petition. Based upon such information, the City Clerk shall reconsider the disqualification and may allow the signature to be counted if such action appears justified.
