

**CITY OF CLINTON
REGULAR MEETING OF THE MAYOR AND BOARD OF ALDERMEN
TUESDAY, MARCH 4, 2014 - 7:00 P.M.
MUNICIPAL COURTROOM – 305 MONROE STREET**

WELCOME AND CALL TO ORDER Mayor Phil Fisher

INVOCATION AND PLEDGE OF ALLEGIANCE TO THE FLAG

The invocation was led by Alderman Cashion followed by the pledge of allegiance to the flag led by Alderman Brabham.

ROLL CALL City Clerk, Russell Wall

Present: Jehu Brabham – Alderman-at-Large
 David Ellis – Alderman Ward 1
 Jim Martin – Alderman Ward 2
 William O Barnett – Alderman Ward 3
 Greg Cronin – Alderman Ward 4
 Jan Cossitt – Alderwoman Ward 5
 Mike Cashion – Alderman Ward 6

RECOGNITION

The Mayor and Board of Aldermen recognized the service to the City by Sam Habeeb who is retiring as Municipal Court Judge.

APPROVAL OF CONSENT AGENDA ITEMS A - DD

MOTION made by Alderwoman Cossitt and **SECONDED** by Alderman Ellis to approve the Consent Agenda Items A-DD. **MOTION CARRIED UNANIMOUSLY**

DEPARTMENT HEAD REPORTS

Mike Warren, Police Chief updated the board on the Police Department expansion project, the progress in hiring new police officers and the field training of new police officers that started in January 2014. He also, reported to the board the statistics for calls for service, traffic stops, number of tickets written and number of arrests made during the period of February 10, 2014 through February 23, 2014 as compared to the same period in 2013.

Barry Burnside, Fire Chief updated the board on calls for service and fire calls for the period of January 1, 2014 through March 3, 2014 as compared to the same period in 2013. He also updated the board on a motor vehicle accident that occurred on Saturday March 2, 2014 in which five persons were seriously injured, training of certain firefighters for the upcoming captain promotions, participation in trauma classes sponsored by Mississippi College, and upcoming chlorine training classes in handling chlorine leaks.

Mike Parker, Director of Public Works reminded the board of the upcoming Annual City Wide Cleanup that will be held March 29, 2014 through April 5, 2014. He also updated the board on the NRCS drainage project, the Pinehaven Drive expansion project, and the Hampstead Boulevard extension project.

BOARD OF ALDERMEN DISCUSSION AND REPORTS

There were no items from the Board of Aldermen.

Episcopal Church of the Creator

To the City of Clinton Planning and Zoning Commission:

The Vestry at the Episcopal Church of the Creator, 1445 Clinton-Raymond Road, Clinton, Mississippi has been working on a project that has been a dream around here for quite some time. We have had one or more temporary buildings on our site since we first began worshipping in this location in 1978.

Our intention at this time, and our **Request for Conditional Use** is as follows:

- To remove our two remaining temporary buildings (a storage shed and a separate building housing two Christian Education classrooms),
- To replace these temporary buildings with one new building of approximately 1300 square feet,
- To build this new building in a style compatible with the appearance of our existing church buildings, and
- To make necessary improvements to our surface storm water drainage system in order to prevent future flooding and to further stabilize our building site.

Thank you for the gracious assistance of your staff throughout this process and for your thoughtful consideration of our request.

Yours in Christ,

Rev. Robert M. Blanton
Priest-in-Charge
Episcopal Church of the Creator

REQUEST FOR CONDITIONAL USE
APPLICATION

Subject Property Address 1445 Clinton Raymond Road
The Episcopal Church of the Creator
Owner _____
Address 1445 Clinton Raymond Road
Clinton, MS 39056
Phone # 601-924-2261
Current Zoning District R-1

Requirements of Applicant:

1. Letter stating reason for requested conditional use.
2. Copy of the written legal description.
3. Site plan of property.
4. \$250.00 fee required for processing.

Requirements for Granting Conditional Uses: *(Section 2405.01 – Zoning Ordinance)*

A conditional use shall not be granted unless satisfactory provisions and arrangements have been met concerning all the following:

- (a). Ingress and egress to property and proposed structures.
- (b). Off-street parking and loading areas.
- (c). Refuse and service areas.
- (d). Utilities, with reference locations, availability and compatibility.
- (e). Screening and buffering with reference to type, dimensions and character.
- (f). Required yards and other open space.
- (g). General compatibility with adjacent properties and other property in the district.
- (h). Any other provisions deemed applicable by the Mayor/Board of Aldermen.

Applicant shall be present at the Planning and Zoning Commission meeting and Mayor/Board of Aldermen meeting. Documents shall be submitted thirty (30) days prior to the Planning and Zoning Commission meeting.

Applicant is responsible for complying with all applicable requirements of the Zoning Ordinance.

By signing this application, it is understood and agreed that permission is given to the Zoning Administrator to have a sign erected on subject property, giving notice to the public that said property is being considered for a conditional use.

- VI. Adjournment

**City of Clinton
Planning & Zoning Commission**

February 25, 2014
6:30 p.m.
Municipal Courtroom

Minutes recorded by Kelly Hall, Administrative Assistant.

Commission members present: Mark Williams, Bettye King, Christine Whitton, Lisa Shoemaker, Nancy Davis, Benjie Barham

City Officials present: Roy Edwards (Director of Community Development), Ken Dreher (City Attorney) and Mark Jones (Director of Communications/Videographer)

Guests: Leon & Anita Hemphill (Pinehaven Presbyterian Church), Robert Norman (Pinehaven Presbyterian Church/Sesame Seed), Bill Schmid (Episcopal Church of the Creator), Rev. Bob Blanton (Episcopal Church of the Creator), Winnie Brantley (Episcopal Church of the Creator), Stacy Patterson (Springridge Plaza), Debbe Tillman (Realtor/Business Owner), T. J. McSparrin (Chamber of Commerce), Mark Wilson (310 Clinton Boulevard).

The meeting was called to order at 6:30 p.m. by Mr. Williams. He introduced Benjie Barham as the newest member of the commission representing Ward 4 and welcomed him to the position.

The minutes of the January 28, 2014 meeting were reviewed. As there was no changes to be made Lisa Shoemaker motioned and Bettye King seconded the motion to approve the minutes as presented. After a unanimous vote the motion to approve the minutes from the January 28, 2014 meeting carried.

New Considerations

A. 1445 Clinton Raymond Road – Episcopal Church of the Creator – Conditional Use

Rev. Bob Blanton, Bill Schmid and Winnie Brantley were in attendance to address any questions related to the request for a Conditional Use. The church wants to replace two modular classrooms with a permanent 1300 sf building that will contain two classrooms, storage area and the vestry. The new building will actually be less square footage than the two modular buildings presently in use. Drainage on the site will also be improved. Mark Williams asked if the setbacks had been reviewed and Roy Edwards assured him that all setback requirements have been met. Nancy Davis asked how long this will take to construct and was told by Bill Schmid that they hope to start construction in late summer and be done in nine months. Lisa Shoemaker made the motion and was seconded by Nancy Davis to forward the conditional use request for Episcopal Church of the Creator on to the Mayor and Board with our recommendation for approval. The vote was unanimous in favor and the motion carried.

B. Pinehaven Presbyterian Church – 2001 Pinehaven Road – Site Plan Review

(This item was moved up on the agenda because it should not take long to review this item compared to the proposed text changes.) Leon Hemphill was in attendance to address any questions related to the sign requested by Pinehaven Presbyterian Church. When the site plan for the church was reviewed it did not include the sign which is why it is being presented at this time. The sign meets zoning requirements as far as size and setbacks. Mr. Hemphill noted that the sign was designed and made so that it will be easy to maintain and make changes as needed in the future. Bettye King made the motion and was seconded by Lisa Shoemaker to forward the site plan to the Mayor and Board of Alderman with our recommendation for approval. The vote was unanimous in favor and the motion carried.

C. Proposed Text Amendments

Section 401.06(c): The current ordinance limits accessory buildings to only 150 square feet in any district. Recent requests by homeowners with larger lots have been denied due to the restrictions of this ordinance. In order to make the ordinance more equitable to property owners with larger lots Roy Edwards presented suggested changes for the commission to consider. At this time the meeting was opened for public comment. Mark Wilson of 310 Clinton Boulevard is a car collector and stated that the current ordinance requires that he store his vehicles and equipment at an off-site location. He owns property greater than one acre and has plenty of room for the larger accessory building that he needs in order to store and work on his cars. Lisa Shoemaker asked for the definition of “accessory” buildings; an accessory building is any attached/detached structure which is subordinate or incidental to the main building or dominant use of the property. After discussion related to square footage versus percentage of lot size limitations, residential versus all properties, and the number of accessory buildings, Christine Whitton made the motion and was seconded by Bettye King to recommend to the Mayor and Board of Alderman that Section 401.06(c) be amended to read “Accessory buildings shall not cover more than ten percent (10%) of the rear yard in any residential district.” The vote was unanimous in favor and the motion carried.

Section 1902 & 1902(L) and 2001 & 2001(L): The amendments proposed are just for the purpose of cleaning up confusing language. As it currently reads, hair salons and beauty parlors are not permitted as a stand-alone use in the general commercial district. The amendment will delete the “hair styling shops or hair salons, beauty parlors and” from the ordinance. Benjie Barham made the motion and was seconded by Lisa Shoemaker to forward the changes to Sections 1902(L) and 2001(L) on to the Mayor and Board of Alderman with our recommendation for approval. The vote was unanimous in favor and the motion carried.

Section 2702, 2703.11 and 2708.02(4): Following meetings with input from local business and property owners it has been proposed to change the ordinance with regards to the hanging of banners. The City’s code enforcement officers will police and enforce the ordinance. The meeting was opened to the public for comments. Robert Norman (The Sesame Seed) asked about signage limitations for business owners located in a strip mall or shopping center, since the ordinance only permits one banner per parcel. This would allow only one tenant at a time to have a banner. Mr. Barham presented situations wherein more than one banner would be needed. (Holiday Sales, Business Closings, etc.). Stacy Patterson (Springridge Plaza) requested that language be considered to allow more than one banner at

a time in a shopping center. She feels that a determination regarding how many banners can be up at one time would be better than limiting banners to one per parcel. A business will only be able to have four banners per year. Mr. Norman stated that depending upon the type of business, some stores will never need to put up banners and the City's fear of too many banners at one time is unfounded. T. J. McSparrin of the Chamber of Commerce reviewed issues of concern when the Chamber first looked at this issue. There was also discussion related to changing the 7-day limit to a 10-day limit so businesses could take advantage of two weekends. It was noted that public schools will also have to abide by the restrictions of this ordinance. Debbie Tillman (Leake Street Collection) feels that we are making progress in cleaning up the appearance of the City but allowing banners would be moving ahead and benefit local businesses. Mr. Norman agreed and said not only would it benefit local businesses but increase the City's tax base as well. Christine Whitton noted that she would not have a problem with changing the 7-day time limit to a 10-day time limit. Mark Williams noted that this item (banners) can be tabled and discussed at the next regular meeting or a work session. Mr. Norman said he would be happy to volunteer to help police banners but Ken Dreher said that it could not be done by someone other than a city employee. Nancy Davis asked Mr. Dreher if he could think of any reason the banner ordinance would not be good for the City. Mr. Wilson feels that allowing banners would make Clinton more business friendly. After more discussion Christine Whitton made the motion and was seconded by Lisa Shoemaker to table this discussion until the next meeting of the Planning & Zoning Commission committee, either at its next regular meeting or a called work session. The vote was unanimous in favor and the motion carried.

Other Business

There was no other business for discussion. .

Next Meeting

The date for the next regular meeting of the Planning & Zoning Commission will be Tuesday, March 25, 2014.

At this time Bettye King made the motion to adjourn and was seconded by Christine Whitton. The vote was unanimous in favor and the motion carried. The meeting adjourned at 7:30 p.m.

PINEHAVEN PRESBYTERIAN CHURCH SIGN SPECIFICATIONS

Type, Location and Position

Ground-mounted monument sign, DBL Faced, to be located at 2001 Pinehaven Dr., Clinton, MS. Sign faces are oriented North and South. Leading edge of sign will be 60 ft. from centerline of the Pinehaven Rd. R.O.W. Sign will be mounted to a 3'X10' poured concrete slab. Both faces are to be externally illuminated with ground-mounted, outdoor-rated fluorescent lamps. Lamp housings will be concealed by landscaping.

Construction Materials, Finish and Colors

Sign is to be constructed of 3/4" HDU (High Density Urethane) panels. Surfaces are to be painted with textured exterior latex enamel in satin white, matching the building color. Faces are to be painted with satin exterior latex enamel, dark gray in color. Each sign face is approx. 20 sf. Lower section of sign exterior is to be polyurethane faux-stone panels, dark gray in basic color.

Lettering Materials and Colors

"Pinehaven" and "PRESBYTERIAN CHURCH pca" are to be individual dimensional letters, 3 1/4" tall, cut from 3/4" thick HDU. Letters are to be stud-mounted flush to fascia, painted with semi-gloss silver metallic urethane. "P" is 20" tall, lower case "inehaven" letters are 6" tall. The pinecone logo is to be cut from 3/4" HDU and painted light green (PMS 611C) semi-gloss urethane, and stud mounted flush to fascia. "Sunday School 9:30" and "Worship 10:45 and 5:30" lettering is to be silver metallic vinyl, 2 1/2" tall.

Base of sign is to be landscaped around its perimeter.

COPIES OF DRAWINGS FURNISHED BY THE ARCHITECT OR HIS CONSULTANT MAY BE RELIED UPON ONLY IN THEIR FINAL PRINTED FORMAT TO INCLUDE EITHER THE ARCHITECT'S STAMP WITH THE ARCHITECT'S SIGNATURE IMPOSED OVER THE STAMP OR THE ENGINEER'S STAMP WITH THE ENGINEER'S SIGNATURE IMPOSED OVER OR BELOW THE STAMP. (FINAL HARD COPIES.)

**AN ORDINANCE AMENDING THE OFFICIAL ZONING ORDINANCE OF
CITY OF CLINTON, MISSISSIPPI**

WHEREAS, a public hearing, pursuant to Section 3006.05 of the Zoning Ordinance of City of Clinton, Mississippi, was set for the 25th day of February 2014, at 6:30 o'clock P.M.; and,

WHEREAS, City of Clinton did cause notice of said hearing to be published in the Clarion-Ledger, a newspaper published in Hinds County, Mississippi, in the manner and for the time required by law; and,

WHEREAS, at the time, date and place specified in the Notice, the City of Clinton Planning Commission did conduct a full and complete hearing, and thereafter, did forward their recommendation for approval to the City of Clinton Mayor and Board of Aldermen; and

BE IT ORDAINED by the Mayor and Board of Aldermen of City of Clinton, Mississippi that the Official Zoning Ordinance of City of Clinton be amended as follows:

Section 401.06(c): Accessory buildings shall not cover more than ten percent (10%) or a maximum of 750 square feet (whichever is less) of the rear yard in any residential district.

This Ordinance shall be effective on the 4th of April, 2014.

ORDAINED, ADOPTED AND APPROVED BY THE MAYOR AND BOARD OF ALDERMEN OF CITY OF CLINTON, MISSISSIPPI, at a meeting thereof held on the 4th day of March, 2014.

A Motion for adoption was made by Alderman Barnett and seconded by Alderman Cronin. The foregoing Ordinance having been first reduced to writing, and no request being made by the Mayor or any member of the Board of Aldermen that the Ordinance be read before any vote was taken, it was submitted to the Board of Aldermen for the passage or rejection on roll call vote upon the vote being as follows, to-wit:

Alderman Brabham voted:	AYE
Alderman Ellis voted:	NAY
Alderman Martin voted:	AYE
Alderman Barnett voted:	AYE
Alderman Cronin voted:	AYE
Alderwoman Cossitt voted:	AYE
Alderman Cashion voted:	AYE

Whereupon the Mayor declared the Motion carried and the Ordinance approved and adopted. The foregoing Ordinance was approved this the 4th of March, 2014.

Section 2703.11: _____ On-premise banners for businesses or public/quasi-public facilities shall be permitted for a short duration only. These signs may be erected after obtaining a permit from Community Development. Banners may not be displayed more than four (4) times a year and for no longer than ten (10) days each time. Banners announcing the grand opening of a new business shall be allowed for a period of forty-five (45) days while the permanent sign is being made or installed. No more than one (1) banner per parcel shall be allowed. Banners shall not exceed six (6') feet in height and shall be set back a minimum of twenty feet (20') from edge of city street. Banners shall not exceed thirty-two (32) square feet in face area.

A permit fee of \$25 plus a \$75 deposit shall be charged per banner. Failure to remove any banner within the time specified by permit will result in forfeiture of deposit and a second offense resulting in disqualification of additional banner permits for one (1) year.

Section 2708.02(4): Remove section.

This Ordinance shall be effective on the 4th of April, 2014.

ORDAINED, ADOPTED AND APPROVED BY THE MAYOR AND BOARD OF ALDERMEN OF CITY OF CLINTON, MISSISSIPPI, at a meeting thereof held on the 4th day of March, 2014.

A Motion for adoption was made by Alderman Brabham and seconded by Alderman Cronin. The foregoing Ordinance having been first reduced to writing, and no request being made by the Mayor or any member of the Board of Aldermen that the Ordinance be read before any vote was taken, it was submitted to the Board of Aldermen for the passage or rejection on roll call vote upon the vote being as follows, to-wit:

Alderman Brabham voted:	AYE
Alderman Ellis voted:	AYE
Alderman Martin voted:	AYE
Alderman Barnett voted:	AYE
Alderman Cronin voted:	AYE
Alderwoman Cossitt voted:	AYE
Alderman Cashion voted:	AYE

Whereupon the Mayor declared the Motion carried and the Ordinance approved and adopted. The foregoing Ordinance was approved this the 4th of March, 2014.

**STATE OF MISSISSIPPI
AND
GOVERNOR PHILLIP D. BRYANT**

**HOMELAND SECURITY
COOPERATIVE AGREEMENT**

Between

CITY OF CLINTON

AND

MISSISSIPPI DEPARTMENT OF PUBLIC SAFETY

HOMELAND SECURITY COOPERATIVE AGREEMENT (CA)

On behalf of Governor Phil Bryant, this Cooperative Agreement is entered into between the Department of Public Safety, Office of Homeland Security, hereto referred to as *Grantee*, and City of Clinton, Mississippi, hereto referred to as *Subgrantee*.

Article I. Purpose

The purpose of this Cooperative Agreement (CA) is to utilize 100% federal funding (no match required) provided through the Office for Domestic Preparedness, U.S. Department of Homeland Security to enhance capabilities within the State of Mississippi to respond to acts of domestic and international terrorism including the use of weapons of mass destruction. The Department of Public Safety, Office of Homeland Security will accomplish this by prioritizing and facilitating the delivery and use of federal financial assistance as identified in the published Office for Domestic Preparedness Homeland Security Grant Program Guidance (attached). This enables the Subgrantee to exercise management discretion and control in achieving the specified objectives of this Cooperative Agreement within the State of Mississippi. It is intended that this partnership will result in the development of a competent and sustainable system designed to provide prevention/deterrence and emergency response to a potential terrorism event within the State.

Article II. Scope of Work

The objectives outlined within the performance period of this Cooperative Agreement will be supportive of the priorities defined in the State Homeland Security Three-Year Strategic Plan in the form of equipment, planning, training, exercise, management and administration funding and shall be in compliance with the Office for Domestic Preparedness Homeland Security Grant Program Guidance.

Article III. Period of Performance

The period of performance for this Cooperative Agreement shall begin on the date of acceptance of the **SUB-GRANT AWARD** execution and shall continue through the period of SUB-GRANT AWARD unless terminated by the Department of Public Safety. Future SUB-GRANT AWARDS for supporting the requirements of the jurisdiction may be awarded under the terms of this agreement through additional sub grants so long as all signatory officials remain unchanged.

Article IV. Roles and Responsibilities

A. Local Sub grantee General Guidance

1. The local *Subgrantee* shall develop and improve their capability to combat the affects of a terrorism event. This is accomplished through the purchase of specialized equipment as identified in the published OJP selected equipment list or support of planning, exercises or training activities associated with the prevention, response or recovery from terrorism incidents.
2. The chief elected official is responsible for committing to the terms of this CA, budgeting local funds to purchase equipment or support jurisdictional exercise, training and planning efforts for executing this CA on behalf of the *Subgrantee's* jurisdiction.
3. The Sub-Grantee shall designate a *Subgrantee* public official as the Subgrantee Grant Administrator (SGA) for developing and attaching the CA scope of work to Appendices A & B, obtaining project approval from respective officials, reporting, submitting applications to Grantee, equipment distribution, training, and obtaining and submitting supporting documentation and requests for reimbursement on behalf of the *Subgrantee* to *Grantee* for repayment. **The SGA shall be responsible for reporting to the Mississippi Office of Homeland Security (MSOHS) via the Initial Strategy Implementation Plan (ISIP) and the Biannual Strategy Implementation Report (BSIR)**

B. Local Homeland Security Program Guidance

The Homeland Security Grant Program (HSGP) through the State Homeland Security Program (SHSP) provides funds for homeland security and emergency operations planning; the purchase of specialized equipment to enhance the capability of State and local agencies to prevent, respond to, and mitigate incidents of terrorism involving the use of chemical, biological, radiological, nuclear, and explosive (CBRNE) weapons and cyber attacks; for costs related to the design, development, and conduct of a State CBRNE and cyber security training programs and attendance at ODP-sponsored CBRNE training courses; for costs related to the design, development, conduct, and evaluation of CBRNE and cyber security exercises; and for costs associated with implementing State Homeland Security Assessments and Strategies (SHSAS). See Annex A (Local Homeland Security Grant Program Guidance) for specific guidance, policies, and reporting requirements.

C. Local Law Enforcement Terrorism Prevention Program Guidance

The HSGP through the Law Enforcement Terrorist Prevention Program (LETPP) will provide law enforcement communities with funds to support the following prevention activities: information sharing to pre-empt terrorist attacks; target hardening to reduce vulnerability of selected high value targets; recognition of potential or developing threats; interoperable communications; and intervention of terrorists before they can execute a threat. These funds may be used for planning, organization, training, exercises, and equipment. See Annex B (Law Enforcement Terrorism Prevention Program) for specific guidance, policies, and reporting requirements.

D. Local Citizen Corps Program Guidance

The HSGP through the Citizen Corps Program (CCP) funds will be used to support Citizen Corps Councils with planning, outreach, and management of Citizen Corps programs and activities. The CCP provides the resources necessary for local jurisdictions and local communities to: 1) bring together the appropriate leadership to form and sustain a Citizen Corps Council; 2) develop and implement a plan for the community to engage all citizens in homeland security, community preparedness, and family safety; 3) conduct public education and outreach in order to inform the public about their role in crime prevention, mitigation, emergency preparedness for all hazards, and public health measures, including bioterrorism, and to encourage personal responsibility and action; 4) develop and implement Citizen Corps programs offering training and volunteer opportunities to support first responders, disaster relief groups, and community safety efforts, to include the federal programs: Community Emergency Response Teams (CERT), Medical Reserve Corps(MRC); and 5) coordinate Citizen Corps activities with other DHS funded programs and other federal initiatives. See Annex C (Local Citizen Corps Grant Program Guidance) for specific guidance, policies, and reporting requirements.

E. State Grantee

-
1. The *Grantee* shall be the Department of Public Safety, Office of Homeland Security, acting on behalf of the State of Mississippi.
 2. The Commissioner of the Department of Public Safety (DPS) or the Commissioner's Designee is the state signatory official and shall be the principal state official responsible for committing the state to the terms of this agreement. The DPS Commissioner, or his designee acting in the absence of the Commissioner, will exercise final approval authority of all *Subgrantee* applications, grant awards, allocations, and requests for reimbursements and for ensuring overall *Grantee* administration.

3. The DPS, Office of Homeland Security, is designated the *Grantee* Point-of- Contact (POC) for assisting the *Subgrantee* in developing the authorized equipment purchase list, specialized training requirements, and for providing overall day-to-day program management.

Article V. Funding Consideration

The *Grantee* POC will receive and review *Subgrantee*'s application and forward to the DPS Commissioner for approval. After approval the *Grantee* will issue a sub-grant award letter, which authorizes the *Subgrantee* to expend local funds and be reimbursed pursuant to the terms of this CA. **Local funds expended prior to the date of the award letter are not authorized to be reimbursed.**

When the *Subgrantee* has expended funds awarded, the SGA will prepare and submit a Request for Reimbursement to the *Grantee POC*. This request shall contain all appropriate supporting documentation to substantiate expenses made in accordance with all applicable requirements. The *Grantee POC* will review the reimbursement package for completeness and forward to the *Grantee* Office of the Comptroller for payment.

- A. The *Grantee* will not be liable under this Agreement for any amount greater than the award allocated by the Office for Domestic Preparedness to the State for the grant performance period.
- B. No cost or obligation shall be incurred by the *Grantee* under this Agreement unless and until the *Grantee* advises the *Subgrantee* in writing that the application has been approved and funds are available.
- C. Reimbursement will be made by the *Grantee* to the *Subgrantee* based on the **Mississippi Subgrantee Reporting Worksheet**. Required documentation must accompany the worksheet.
- D. Reimbursement is contingent upon the funds being expended in accordance with all applicable local and state regulations, as well as Federal guidelines, and submission for reimbursement made in accordance with DPS administrative procedures.
- E. *Subgrantee*'s requests for advance of funds to support purchases of equipment or other expenditures must be requested in writing to the grantee POC explaining the justification for the request. Reasons, i.e., shortage of local funds or items not contained in current annual jurisdictional budget must be accompanied by purchase orders. No request for advance of funds will be granted for amounts less than \$2,500.00.

- F. *Subgrantee's* Request for Reimbursement and other required financial reports will be submitted to the *Grantee* with a copy of all receipt(s) or invoices showing that authorized equipment has been paid for in-full by *Subgrantee* and attached to an approved grant application.

Article VI. Maintenance, Replacement costs and Use of Equipment

- A. Equipment purchased under the terms of this CA will be stored, maintained and used in accordance with the purpose and objectives of this Cooperative Agreement. The equipment may be used for terrorism training and exercise purposes and in response to an actual terrorism event. If the equipment is used in response to a non-terrorism related event, training or exercise, then any maintenance or replacement costs will be the sole responsibility of the *Subgrantees*.
- B. The subgrantee is required to maintain an equipment inventory list that contains the following information: equipment description, identification/serial number, title holder, acquisition date, cost, percentage of federal funds used in the cost, location, use and condition, and disposition date.

Article VII. Nonperformance

Failure by the *Subgrantee* to comply with the terms of this Cooperative Agreement may result in suspension from the program and loss of any outstanding grant fund allocation balance, as determined by the *Grantee*. Failure to expend all grant funds awarded (by date stated on Awards Letter) and to comply with Grantee request and guidelines will result in the reallocation of unspent grant funds and the immediate redistribution of all equipment purchased with grant funds. In addition, the failure to maintain adequate response capability (as determined by the MOHS) will also result in the reallocation of grant funds and the immediate redistribution of all equipment purchased with grant funds.

Article VIII. Administrative Provisions

A. General

The *Grantee* and *Subgrantee* agree to carry out the administrative and financial requirements of this Agreement in accordance with the policies and procedures established by the Office for Domestic Preparedness and set forth in other applicable state and federal guides (Code of Federal Regulations 44 and appropriate fiscal year Grant Program Guidance).

B. Reports

- a. Initial Strategy Implementation Plan (ISIP) is a detailed report of the planned activities associated with ODP grant funding. All funds provided must be linked to one or more projects, which in turn must support specific goals or objectives in the State Homeland Security Strategy.
- b. The Biannual Strategy Implementation Report (BSIR) will update information on obligations, expenditures, and progress made on activities noted in the ISIP, and will include an update of all information submitted in that report.

C. Other Provisions

1. Nothing in this agreement is intended to conflict with current laws or regulations of Mississippi or your jurisdiction. If a term of this agreement is inconsistent with such authority, then that term shall be invalid, but the remaining terms and conditions of this agreement shall remain in full force and effect.
2. Subgrantee is required to ensure that grant monies are used to support all Emergency Service related agencies and departments, specifically law enforcement, fire and rescue. Senior officials of these agencies must sign this agreement and familiarize themselves with the rules and regulations governing each grant program. They are encouraged to work together in determining and prioritizing their needs and requirements prior to submitting their plan.
3. Subgrantee is required to submit with the signed Cooperative Agreement a copy of their most recent financial audit. If the subgrantee (organization/jurisdiction) expends \$500,000 or more in federal funds (from all sources including pass-through sub awards) in the subgrantee's (organization/jurisdiction) fiscal year (12-month turnaround reporting period) is required to have a single organization/jurisdiction wide audit conducted in accordance with the provisions of the Office of Management and Budget (OMB) Circular A-133.
4. All final requests for reimbursement must be received in the Mississippi Office of Homeland Security no later than 30 days after the end date of the grant award.
5. Subgrantee is required to complete EHP Review as required for Equipment Purchases and any type of Construction.
6. All subgrantees (and or jurisdictions must also maintain membership in the Emergency Management Assistance Compact (EMAC) to facilitate the

mutual aid of capabilities in order to be eligible for Department of Homeland Security (DHS) grant funding and reimbursement of DHS grant funds.

7. **Effective October 1, 2010 ALL subgrantees are required to have and furnish a Dun and Bradstreet Data Universal Numbering System (DUNS) number to the Mississippi Office of Homeland Security as a component of the Article X. A DUNS number is the nine digit number established and assigned by Dun and Bradstreet, Inc (D&B) to uniquely identify business entities. If your jurisdiction does not have a DUNS number one may be obtained from D&B by telephone (currently 866-705-5711) or the Internet (currently at <http://fedgov.dnb.com/webform>). NO GRANT AWARD LETTER WILL BE ISSUED WITHOUT THE SUB GRANTEE HAVING A DUNS NUMBER.**

Article IX. Sole Source Procurement Verification

Subgrantee is required to document on the Budget Detail Worksheets any sole source purchases and the subgrantee is required to submit with their request for reimbursement documentation as required by the State of Mississippi procurement policies and 44CFR 13.36(a) for any sole source purchases. **No reimbursement requests for a sole source purchase will be processed without this required documentation.**

FISCAL YEAR 2013

**LAW ENFORCEMENT TERRORISM PREVENTION GRANT
PROGRAM**

LAW ENFORCEMENT TERRORISM PREVENTION PROGRAM FISCAL YEAR 2013

TOTAL AWARD: \$60,000.00 (Police Department Bomb Team)

A. Program Overview

LETPP is a core homeland security assistance program that provides funds to build capabilities at the State and local levels through planning, equipment, training, and exercise activities and to implement the goals and objectives included in Homeland Security Strategies. LETPP funding also supports the four mission areas of homeland security: prevent, protect, respond, and recover and addresses all of the National Priorities and the 37 Target Capabilities, as they relate to terrorism.

FY 2013 LETPP funding remains primarily focused on enhancing capabilities to prevent, protect against, respond to, or recover from CBRNE, agriculture, and cyber terrorism incidents. However, in light of several major new national planning priorities, which address such issues as pandemic influenza and the aftermath of Hurricane Katrina, the allowable scope of LETPP activities include catastrophic events, provided that these activities also build capabilities that relate to terrorism.

Many of the capabilities included within the TCL are dual use in nature, in that they can apply to both terrorism preparedness as well as other hazards. Activities implemented under LETPP must support terrorism preparedness and build or enhance capabilities that relate to terrorism in order to be considered eligible, even if the capabilities themselves do not focus exclusively on terrorism. For example, mass evacuation planning supports terrorism preparedness but also other types of catastrophic events. Planning for pandemic influenza and linking that effort to a larger bioterrorism preparedness effort offers another example. **Grantees must demonstrate the dual-use nature of any activities implemented under this program that are not explicitly focused on terrorism preparedness in their Scope of Work.**

As defined in the Catastrophic Incident Supplement to the NRP, a catastrophic incident is any natural, technical, or manmade incident, including terrorism that results in extraordinary levels of mass casualties, damage, or destruction severely affecting the population, infrastructure, environment, economy, national morale, and/or government functions. A catastrophic event could result in sustained national impacts over a prolonged period of time; almost immediately exceeds resources normally available to State, local, Tribal, and private sector authorities in the impacted area; and significantly interrupts governmental operations and emergency services to such an extent that national security could be threatened. Catastrophic events result in unique challenges regarding such issues as mass care, search and rescue, victim and fatality management and transportation, public health and medical support, and public information, many of which are also critical issues for terrorism preparedness.

Grantees may use LETPP funding to achieve or enhance all of the 37 capabilities, as long as they enhance the capability to prevent, protect against, respond to, or recover from acts of terrorism. Grantees should consult the Catastrophic Incident Supplement to the NRP and the

planning assumptions upon which it is centered to understand the scope of catastrophic incidents relative to their own prioritization of capabilities and resource allocations. Grantees should focus their proposed FY 2013 Investments on the National Priorities and their most urgent State/local priorities.

The Goal identifies enhanced regional collaboration as a national priority. States must employ regional approaches to planning and preparedness and are encouraged to adopt regional response structures whenever appropriate to meet the needs identified through assessments and in the Homeland Security Strategies.

B. Program Requirements

Use of LETPP funds must be consistent with and supportive of implementation of the State Homeland Security Strategy. Linkages between specific projects undertaken with LETPP funds and strategic goals and objectives will be highlighted through regular required reporting mechanisms, including the BSIR.

C. Authorized Program Expenditures

This section provides guidance on the types of expenditures that are allowable under the LETPP. Please refer to the checklist in Appendix D (of the Federal Grant Program Guidance) for a summary of authorized and unauthorized SHSP expenditures.

Authorized Program Expenditures

1. Information Sharing to Preempt Terrorist Attacks: These funds will allow law enforcement communities to purchase equipment and support efficient and expeditious sharing of information and intelligence that could preempt possible terrorist attacks.

2. Threat Recognition: Funds provided under this category will allow law enforcement personnel to purchase equipment and conduct additional training that assists in further recognizing the potential or development of a threat.

3. Intervention Activities: Funds provided under this category will allow law enforcement personnel to purchase equipment and conduct activities to further enhance their capabilities to prevent domestic terrorism incidents.

4. Interoperable Communications: Funds provided under this category will allow law enforcement personnel to purchase equipment to ensure interoperable communications between, and among, law enforcement agencies and other emergency service disciplines such as fire and emergency management.

Allowable Equipment Costs

LETPP funds may be used for specialized equipment acquisition from select equipment categories listed in the FY13 ODP AEL. The FY13 AEL is available in its entirety online through the RKB at <http://www.llis.dhs.gov/knowledgebase>. For more information on allowable equipment categories, please refer to Homeland Security Grant Program Guidance *Appendix A: Authorized Program Expenditures*.

Allowable Planning Costs

LETPP funds may be used for a range of law enforcement terrorism prevention planning activities, including the following:

- Development of and planning for information/ intelligence sharing groups
- Conducting point vulnerability analyses and assessments
- Soft target security planning (public gatherings)
- Develop border security operations plans in coordination with CBP
- Developing, implementing and reviewing Area Maritime Security Plans for ports, waterways, and coastal areas
- Updating and refining threat matrices
- Acquiring systems allowing connectivity to federal data networks, such as National Crime Information Center (NCIC) and Integrated Automated Fingerprint Identification System (IAFIS), as appropriate
- Designing and developing state and local geospatial data systems
- Costs associated with the implementation and adoption of NIMS
- Developing related critical infrastructure terrorism prevention activities including:
 - o Planning for enhancing security during heightened alerts, during terrorist incidents, and/or during mitigation and recovery
 - o Public information/education: printed and electronic materials, public service announcements, seminars/town hall meetings, web postings
 - o Citizen Corps activities in communities surrounding CI sites, to include Neighborhood Watch, VIPS, and other opportunities for citizen participation
 - o Evaluating CIP security equipment and/or personnel requirements to protect and secure sites

Allowable Training Costs

LETPP funds may be used for a range of law enforcement terrorism prevention related training activities to enhance the capabilities of state and local personnel, including the following:

- Training courses on building information sharing capacities
- Training that includes methods of target hardening
- Training for facility security personnel

- Training for vessel and port law enforcement security personnel recognition of CBRNE threats
 - NIMS training
 - Weaponization of CBRNE agents
 - History of terrorism and social environments contributing to threats
 - Surveillance and counter-surveillance techniques
 - Identifying/assessing critical infrastructure assets, vulnerabilities, and threats
 - Intelligence analysis
 - Cyber security protective measures training
 - Multi-cultural training for undercover operations
-
- Language training
 - Joint training with other homeland security entities (U.S. Secret Service, CBP, etc.)
 - Training on the use of interoperable communications equipment
 - CIP training
 - Training associated with the collection, analysis, mapping, integration, and dissemination of geospatial data and imagery
 - Geospatial database use, design, development, and management training
 - Agricultural/food security related training
 - Training for citizens in terrorism awareness and for volunteer participation to support law enforcement activities

Multiple level training should be focused on a regional model. Grantees using these funds to develop their own courses should address the critical training areas and gaps identified in the State's Homeland Security Strategy and must adhere to the *ODP Emergency Responder Guidelines* and *ODP Homeland Security Guidelines on Prevention and Deterrence*. These guidelines may be found at http://www.ojp.usdoj.gov/odp/whatsnew/whats_new.htm.

Allowable Exercises Costs

LETPP funds may be used to design, develop, conduct, and evaluate terrorism prevention related exercises, including the following:

- Exercises to evaluate the effectiveness of information sharing plans, policies, procedures and protocols
 - Exercises to evaluate NIMS implementation
-
- Exercises to evaluate facility and/or vessel security protection
 - Exercises to evaluate area maritime security protection
 - Exercises to evaluate threat recognition capabilities
 - Exercises to evaluate cyber security capabilities
 - Exercises to evaluate agricultural/food security capabilities
 - Exercises to evaluate prevention readiness and techniques
 - "Red Team" (force on force) exercises
 - Interoperable communications exercise
 - Critical infrastructure vulnerability, protection, and/or attack exercises

Allowable Management and Administrative Costs

All programs within HSGP have allowable M&A costs for both the state-level as well as the local unit of government, urban area, or designated subgrantee.

- **SHSP, UASI, LETPP, CCP, MMRS:** No more than **5% of the total amount** allocated to the state for each program within HSGP may be retained at the state level and used for M&A purposes. These state M&A funds must be included in the total funds retained by the state. In addition, local jurisdiction subgrantees may retain and use up to **2.5% of their subaward from the state for local M&A purposes with MOHS approval.** *Note: M&A costs are **not allowed** for either the state or designated recipients for UASI allocations to nonprofit organizations*

Allowable Operational Activities

In support of FY13 LETPP efforts to provide law enforcement communities with enhanced capabilities for detecting, deterring, disrupting, and preventing acts of terrorism, states and local governments may use FY13 LETPP funds to support select operational activities. No more than **25%** of the gross amount of the LETPP award may be used for the operational expenses and overtime costs for the organizational activities noted below, which includes the operational costs in *Operational Costs Guidance* on page 25. These funds may be used for the following three (3) operational activities:

1. Grantees and subgrantees may use LETPP funds for select operational expenses associated with increased security measures at critical infrastructure sites, incurred during time **periods of DHS-declared Orange Alert**. Funds may only be used in the following authorized categories:

- o Backfill and overtime expenses for staffing state or local EOCs
- o Hiring of contracted security for critical infrastructure sites
- o Public safety overtime
- o National Guard deployments to protect critical infrastructure sites, including all resources that are part of the standard National Guard deployment package
- o Increased border security activities in coordination with CBP. Consumable costs, such as fuel expenses, are not allowed except as part of the standard National Guard deployment package.

2. Overtime costs are also allowable for personnel to participate in information, investigative, and intelligence sharing activities specifically related to homeland security. This includes activities such as anti-terrorism task forces, JTTF, Area Maritime Security Committees (as required by the Maritime Transportation Security Act of 2002), and TEW groups.

3. Hiring of contractors/consultants for participation in information/intelligence sharing groups or intelligence fusion center.

Funding may not be used to supplant ongoing, routine public safety activities of state and local law enforcement, and may not be used to hire staff for operational activities or backfill.

Unauthorized Program Expenditures

Unauthorized program expenditures include: 1) expenditures for items such as general use software (word processing, spreadsheet, graphics, etc), general-use computers (other than for allowable M & A activities, or otherwise associated preparedness or response functions) and related equipment, general-use vehicles, licensing fees, weapons systems and ammunition; 2) activities unrelated to the completion and implementation of the LETPP Program; 3) other items not in accordance with the Authorized Equipment List or previously listed as allowable costs; and, 4) construction or renovation of facilities.

Designation of Subgrantee Grant Administrator (SGA)
LAW ENFORCEMENT TERRORISM PREVENTION PROGRAM

The following person is officially appointed to represent the jurisdiction as the *Subgrantee* Grant Administrator (SGA) and is hereby duly authorized to fulfill the terms of this Cooperative Agreement during the performance period on behalf of the *Subgrantee*.

Name: Todd Peterson Title: Sergeant
(Subgrantee Grant Administrator)

Organization Name: Clinton MS Police Department

Mailing Address: 305 Monroe Street

City: Clinton Zip Code 39056

Telephone Number: (601) 924-5252 Fax Number: (601) 924-7867

Cellular Number: (601) 951-2170 Pager Number: () NA

Email Address: peterson218@clintonpd.org

Appointed by: Phil Fisher Date: March 04, 2014
(Print Name)

Signature:  Title: Mayor

LAW ENFORCEMENT TERRORISM PREVENTION PROGRAM

Subgrantee will prepare a narrative statement in the Scope of Work describing how the jurisdiction will use allocated funds to support the defined projects and objectives from the State's Homeland Security Strategy.

The narrative should address how the jurisdiction's law enforcement community would support the following prevention and deterrence activities: information sharing to preempt terrorist attacks; target hardening to reduce vulnerability of selected high value targets; recognition of potential or developing threats; interoperable communications; and intervention of terrorists before they can execute a threat. Also describe how these funds would be used for planning, organization, training, exercises, and equipment.

ALLOWABLE PROJECTS, GOALS & OBJECTIVES:

LETPP

PROJECT:

Establish/enhance a terrorism intelligence/early warning system, center, or task force.

GOAL:

Increase jurisdiction participation with multi-level intelligence components/agencies to deter/prevent WMD/Terrorism incidents

Objectives:

Provide Intel gathering and information sharing capabilities to 50% of local jurisdictions within 3 years after approval of state strategy.

Develop a joint 24-hour emergency notification system for first responders and others who are in a critical, need-to-know position. This includes the Health Alert Network (HAN) and DPS information dissemination to local law enforcement within 3 years after approval of state strategy.

PROJECT

Establish/enhance statewide deterrence/prevention and response efforts.

GOAL:

Reduce Mississippi's vulnerability to terrorism through preparedness and protective efforts.

Objectives:

Create, implement, and maintain terrorism preparedness plans consistent with the National Response Plan (NRP) and provide advice, assistance, training, and oversight to local governments in the development of such plans within 3 years after approval of state strategy.

Improve by 5% the number of emergency responders prepared to respond to WMD/CBRNE incidents, including hoaxes and suspicious packages within 3 years of the approval of the state strategy.

CITY OF CLINTON

MISSISSIPPI HOMELAND SECURITY TERRORISM PREVENTION PROGRAM, for Certified Bomb Squads Homeland Security Grant Program, Grant NO: 13LE147BS

Project

The City of Clinton intends to utilize the Law Enforcement Terrorism Prevention Program Grant for Fiscal Year 2013 to enhance our terrorism response capabilities. We intend to do this by purchasing new equipment to augment equipment and training, which we have already purchased and equipment and training we intend to purchase with future funds.

Goal

Reduce the City of Clinton's vulnerability to terrorism through preparedness and protective efforts.
Prepare and train the City of Clinton's Bomb Squad for Statewide response to incidents related to terrorism and questionable devices.

Objectives

Improve the City of Clinton's response capabilities by purchasing needed equipment to effectively respond to and mitigate a terrorist event.

Special Note

The City of Clinton as of September 2004 has a Certified EOD Team in place for statewide response as needed.

Equipment Category	Item	Qty	Total Cost	Items to each Discipline	Allocation to each Discipline
Explosive Device Mitigation and Remediation Equipment	Lease Storage Space for Bomb Squad Equipment	1	\$27,000.00	1LE	27,000.00 LE
Explosive Device Mitigation and Remediation Equipment	Grid Aim X-Ray Target assist system	10	\$6,000.00	10LE	6000.00 LE
Interoperable Communication Equipment	Motorola Dual-band handheld radios, Statewide	2	\$10,00.00	10LE	\$10,00.00 LE
Interoperable Communication Equipment	Continued Mobile Communications Services for EOD Technicians and Mission Essential Admin Staff	1	\$8,400.00	1LE	\$8,400.00 LE
Explosive Device Mitigation and Remediation Training	Enhanced explosive mitigation training	1	\$8,600.00	1LE	\$8,600.00 LE
<u>TOTAL-----</u>	<u>-----</u>	<u>---</u>	<u>-----</u>	<u>-----</u>	<u>\$61,000.00</u>

City Of Clinton 2013 Homeland Security Grant Funding Proposal

EXECUTIVE SUMMARY

The City of Clinton requests Homeland Security Funds to be utilized for the continued enhancement of training and equipment necessary to respond to, prevent, protect and recover from acts of terrorism, foreign and domestic in nature, industrial accidents capable of a significant impact on the community and acts of nature. The City of Clinton intends to accomplish these goals through cooperative training within each city discipline as well as surrounding jurisdictions, and through purchasing additional equipment necessary to ensure the success of the project. The City of Clinton intends to further educate, train, and better equip first responders and the community in an effort to reduce the vulnerability to acts of terrorism. The City of Clinton intends to continue its' support of our Certified Bomb Squad through training and equipping the Technicians with the necessary tools to accomplish calls for service Statewide as needed with regard for the safety of the community and the Technicians providing service in a hazardous environment. Improve awareness and response capabilities through educating and training First Responders. The City of Clinton intends to purchase needed equipment to enhance First Responders response to and mitigation of terrorist related, accidental, and natural events, which would pose significant impacts on life and property, disrupting the community and the local/state economy. The City of Clinton as of September 2004 has a Certified EOD (Bomb Squad) in place for statewide response as needed and continues to support this program through training and maintaining additional personnel for response. The City of Clinton also has Fire Department personnel certified/trained and equipped as Hazmat Technicians for response to incidents involving hazardous materials both locally and as requested by other jurisdictions.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

Geographical Area

Clinton is a city in Hinds County, Mississippi, United States. Situated in the Jackson metropolitan area, it is the tenth largest city in Mississippi. The population was 23,347 at the 2000 United States Census.

Demographics

As of the census of 2000, there were 23,347 people, 8,328 households, and 6,079 families residing in the city. The population density was 979.2 people per square mile (378.1/km²). There were 8,899 housing units at an average density of 373.2/sq mi (144.1/km²). The racial makeup of the city was 74.92% White, 22.53% Black, 0.10% Native American, 1.54% Asian, 0.02% Pacific Islander, 0.26% from other races, and 0.64% from two or more races. Hispanic or Latino of any race was 0.87% of the population.

There were 8,328 households out of which 35.9% had children under the age of 18 living with them, 56.0% were married couples living together, 13.8% had a female householder with no husband present, and 27.0% were non-families. 23.1% of all households were made up of

City Of Clinton 2013 Homeland Security Grant Funding Proposal

individuals and 8.4% had someone living alone who was 65 years of age or older. The average household size was 2.60 and the average family size was 3.08.

In the city the population was spread out with 24.7% under the age of 18, 14.9% from 18 to 24, 27.6% from 25 to 44, 21.6% from 45 to 64, and 11.2% who were 65 years of age or older. The median age was 33 years. For every 100 females there were 89.3 males. For every 100 females age 18 and over, there were 84.3 males.

The median income for a household in the city was \$47,092, and the median income for a family was \$53,482. Males had a median income of \$38,194 versus \$27,458 for females. The per capita income for the city was \$20,586. About 5.7% of families and 8.0% of the population were below the poverty line, including 9.8% of those under age 18 and 11.7% of that age 65 or over.

Local Government

Clinton operates as a Code Charter form of government, divided into six Wards. The local governing body consists of the Mayor, one Alderman representing each of the six Wards and one Alderman-at-Large whose duty is to represent the entire community.

As of February 2008, Rosemary G. Aultman is the city's mayor. The Board of Alderman are Tony Hisaw (Ward 1), Tony Greer (Ward 2), Mike Bishop (Ward 3), Kathy Peace (Ward 4), Mike Morgan (Ward 5), Bill Barnett (Ward 6) and Jehu Brabham (Alderman-At-Large).

Educational

The City of Clinton's public schools are served by the Clinton Public School District. The Clinton Public School District consists of seven campuses with an enrollment of approximately 5,000 students. It is regularly ranked as one of the top public school districts in Mississippi. Four schools received the state's highest rating of "Level 5" (Superior Performing) based on test scores from the 2005-2006 school year. Two received the second highest rating of "Level 4" (Exemplary). The remaining school, which serves Kindergarten and First Graders, was not assigned a rating, as tests are not administered at these grade levels.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

Mississippi College, also known as **MC**, is a private, Christian university located in Clinton, Mississippi. Mississippi College comprises the main campus in Clinton, as well as satellite campuses in Brandon and Madison, Mississippi, and the Mississippi College School of Law in Jackson. It is the oldest college in the state of Mississippi and the second-oldest Baptist affiliated university in the world.

Mississippi College has been included in U.S. News & World Report's "America's Best Colleges", The New York Times' "Best Buys in College" and Barron's "Best Buys in College Education".

Mississippi College, affiliated with the Mississippi Baptist Convention, is a private, co-educational, Christian university of liberal arts and sciences serving nearly 4,900 students from 41 states and 26 countries. Founded in 1826, Mississippi College is the oldest institution of higher learning in the state of Mississippi and second oldest Baptist University in the nation. With more than 80 areas of study, 12 graduate degree programs, a doctor of jurisprudence degree, and a doctor of

education leadership degree, Mississippi College seeks to be a university recognized for academic excellence and commitment to the cause of Christ.

CLINTON CHRISTIAN ACADEMY

101 E. Northside Drive
Clinton, MS

Clinton Christian Academy is a K4 through 12th grade non-denominational, Christ-centered school with emphasis on academic excellence, parental involvement, community outreach, athletics and fine arts.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

JURISDICTION OVERVIEW

The City of Clinton's investment proposal covers approximately forty-nine square miles of urban and rural lands bordering the Capital City of Jackson, all of which fall within the West Central Mississippi area. The City of Clinton supports such transportation corridors as Interstate 20 and an East-West Railroad Track System supporting a variety of commodities and hazardous materials transported through the populated area daily. The city currently maintains a population of approximately thirty thousand citizens.

Collaboration with area jurisdictions, State and Federal Law Enforcement, Regional Emergency Operations and many other local jurisdictions throughout the state currently have been established. The City of Clinton maintains personnel with the Southwest One Regional Response Team, participating in work sessions, training and planning for response to acts of domestic terrorism and natural disasters. The Regional Response Team headed up by the Hinds County Mississippi Emergency Operations, opens a collaborative relationship with numerous local municipalities and county governments. Training with the Military Civil Support Team has been conducted and a working relationship established for future training exercises to include a multi-discipline response exercise. The City of Clinton's Bomb Squad meets with and trains on a regular basis with federal agencies as well as the three other Bomb Squads within the state. The city will continue to work with and engage local businesses and area church's and charity groups to maintain a working relationship so that their assistance will be better directed during times of crisis or disaster.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

The City of Clinton faces the following hazards and areas of weakness. Response to Chemical spills, accidental and non-accidental with equipment and personnel trained to quickly identify and assess the situation on a limited scale. Currently the city is capable of containment, evacuation, clean-up and recovery efforts on a small scale. Response to acts of a Biological nature, identification equipment, and assessment / evacuate on a small scale. Additional training and education in this area are needed. Additional identification education and training are needed in regards to Radiological incidents. Response to pre-Nuclear incidents (dirty bombs, IED's, etc), with an equipped Bomb Disposal Unit and Hazmat Team at current, need additional equipment in this area to sustain a prolonged response. Additional training and collaboration with State and Federal resources to establish a base response protocol would be beneficial in this area. Additional Certified Bomb Technicians and equipment are needed to provide a more efficient response and allow the current bomb team the ability to handle multiple calls for service at the same time without compromising the Technicians or the Publics Safety.

The City of Clinton Police Department has primary responsibility for matters regarding Homeland Security. Officials for each discipline maintain a flow of information through electronic and voice communications with Local, State, and Federal Officials on a regular basis. Representatives from each discipline meet on a regular basis to evaluate training and equipment needs within the city. Police and Fire Officials continue to train and respond with surrounding jurisdictions when called upon to do so. The City of Clinton maintains a collaborative partnership between and among a diverse set of security partners, including Federal Government, State, and Local Government's; the private sector, and non-governmental organizations, for sharing information and implementing protection programs and training. The City of Clinton currently participates and is a member of the South-West One Regional Response Team, with Police personnel to include a Bomb Disposal Team and members of the Tactical Unit; Fire personnel to include numerous Hazardous Materials Technicians, Firefighters, EMS personnel as well as supporting logistical personnel. The Clinton Police Department's Bomb Disposal Team

City Of Clinton 2013 Homeland Security Grant Funding Proposal

routinely assists neighboring and statewide jurisdictions in regards to explosive related calls for service and disposal of found ordnance.

The Bomb Disposal Team maintains contact with State and Federal Agencies and liaisons with each in regards to training and response. Grand Gulf Nuclear Station, located in Port Gibson, Mississippi, falls within the response area for Clinton's Bomb Disposal Team. A comprehensive review was conducted March of 2006 to establish current response capabilities and set goals for equipment and training to strengthen response capabilities.

Police, Fire and Public Works make up the stakeholders with regards to responding to and recovering from terrorist related, accidental and natural disaster incidents. Representatives from each discipline provided the necessary input through work sessions and informal meetings throughout the year to compile the City of Clinton's report/proposal. Each discipline within the city maintains a good working relationship and collaborative effort in working toward a common goal, to further educate, train, and better equip first responders and the community in an effort to reduce the vulnerability to acts of terrorism, while continuing to support the State of Mississippi and National Response Plans.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

PRIORITIES

Accomplishments-

- a. Obtained basic Bomb Disposal Equipment 2002
 - b. Established a Certified Bomb Squad in September of 2004
 - c. Increased Bomb Team personnel to Nine, Five full-time Technicians, One Retired Technician currently in good standing (sworn officer), Two Officers awaiting class dates at HDS, and Two Fire Department personnel EMS trained and awaiting HDS class dates.
 - d. Establishment of Standard Operating Procedures for Bomb Squad
 - e. Training city First Responders on the Incident Command Management System
 - f. Currently establishing an EOD K-9 Program
 - g. Obtained response vehicles and equipment hauler for additional equipment and personnel
 - h. Enhanced our remote capabilities through the purchase of a Remote controlled Bomb Disposal Robot with disruptor capabilities
 - i. Obtained state-of-the-art X-Ray equipment providing film and real-time examination of suspicious devices/packages
 - j. Provided numerous Bomb/Ordnance services to state, federal, and local authorities within the state
-
- k. Established working relationships with all of the other three Bomb Disposal Teams within the state
 - l. Establishment of working relationships with state, local and federal agencies which had not existed prior to 2004 and continuing to foster other inter-agency relationships in line with National and State Priorities.
 - m. Taken advantage of training opportunities offered through federal resources, enhancing knowledge of WMD incidents and available resources for First Responders within the city.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

- n. Participated in scenario based training with military (Civil Support Unit) and local authorities testing capabilities, and working relationships within each discipline.
- o. Established a closer working relationship with educational administrators and provided awareness level training to assist local schools in preparedness planning.
- p. Currently establishing training and Response Plans to Bomb Threats with regards to local educational facilities.
- q. Continuing to re-evaluate and enhance the city's response capabilities through the assistance of Homeland Security Funds in the areas of equipment and training. Establishment within each discipline a successful plan to continue to remain NIMS compliant, while continuing to educate local First Responders to respond locally and statewide as called upon to do so, with regards to MOU's with Hinds County and the State of Mississippi. A majority of the City of Clinton's First Responders are trained in the implementation of the National Incident Management System. Ongoing in-service training to further educate all personnel employed by the City of Clinton in the implementation of NIMS continues.
- r. At current the City of Clinton has identified critical locations vital to the city continuing to operate during a crisis. Hurricane Katrina played a vital key in testing local capabilities and putting them to the test.
- s. Measures have been taken and plans continue to be made to protect vital infrastructure components such as: water wells and sewer pump stations have been updated and secured, physical security has been upgraded at both Police and Fire Stations. Communications have been upgraded to a Digital 800 system providing secure communications for Police and Fire, while continuing to re-evaluate and adapt with the times.
- t. The City of Clinton maintains a collaborative partnership between and among a diverse set of security partners, including Federal Government, State, and Local Government's; the private sector, and non-governmental organizations, for sharing information and implementing protection programs and training.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

Current Capabilities and Three-Year Targets-

- A certified Explosive Ordnance Disposal Unit (Bomb Squad) available for response throughout the state as requested.
- A Hazmat team equipped to respond to any number of calls for service and available to offer aid when called upon to do so.
- Staff and equipment to provide good logistical support, infrastructure roadways and sustain a drinking water supply for the community.
- Personnel committed to learning and teaching others within each discipline.
- Working relationships with State and Local jurisdictions as well as within the private sector and educational institutions.
- Equipment sufficient to train with and maintain a response to and recovery from small-scale events.
- Physical security presently in place with periodic reevaluation.
- Digital communications equipment with enhanced twenty-four hour 911 services.

Plan for Enhancement-

- The City of Clinton intends to utilize Homeland Security Funds to further enhance our terrorism response capabilities in support of and while continuing to foster National and State Response Plans. The City of Clinton intends to do this by purchasing new and updated equipment to augment equipment which we have already purchased and provide sufficient scenario based training exercises to educate and inform first responders in the areas of prevention, protecting, response to and recovery from acts of terrorism and other man-made disasters to include natural disasters.
- The City of Clinton will continue to offer assistance to jurisdictions throughout the state, when requested. This will include explosive device response operations.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

- The City will maintain equipment and continue to train personnel in prevention, protection, response, and recovery from disasters even if federal funding should not be available in the future.

Initiatives

The City of Clinton has established and continued to foster initiatives with regards to the following areas:

A. All Hazards to include CBRNE-

- Ability to respond to Chemical spills, accidental and non-accidental with equipment and personnel trained to quickly identify and assess the situation. Capable of containment, evacuation and clean-up/recovery efforts on a small scale.
- Ability to respond to acts of a Biological nature, identification equipment, assesses and evacuate on a small scale.
- Ability to respond to, acknowledge and identify a Radiological incident and begin evacuation efforts.
- Ability to respond to nuclear incidents prior to release of any nuclear material, with an equipped Bomb Disposal Unit and Hazmat Team to help prevent the detonation of a dirty bomb or Improvised Explosive Device.
- Ability to respond to, prevent, protect and recover from incidents involving explosives, explosive devices, improvised explosive devices, through the cities Certified, equipped and trained, Bomb Disposal Team (Bomb Squad).

City Of Clinton 2013 Homeland Security Grant Funding Proposal

B. Implementation of NIMS/NRP-

- Large number of First Responders trained in implementation of the National Incident Management System. Ongoing in-service training to further educate all personnel employed by the City of Clinton in the implementation of NIMS.
-

C. Regional Collaboration-

- The City of Clinton currently participates and is a member of the South-West One Regional Response Team, with Police personnel to include a Bomb Disposal Team and members of the Tactical Unit; Fire personnel to include numerous Hazardous Materials Technicians, Firefighters, EMS personnel as well as supporting logistical personnel.
 - The Clinton Police Department's Bomb Disposal Team routinely assists neighboring and statewide jurisdictions in regards to explosive related calls for service and disposal of found ordnance. The Bomb Disposal Team maintains contact with State and Federal Agencies and liaisons with each in regards to training and response.
 - Grand Gulf Nuclear Station, located in Port Gibson, Mississippi, falls within the response area for Clinton's Bomb Disposal Team. A comprehensive review was conducted March of 2006 to establish current response capabilities and set goals for equipment and training to strengthen response capabilities.
-

D. Implementation of NIPP- (National Infrastructure Protection Plan)

City Of Clinton 2013 Homeland Security Grant Funding Proposal

- At current the City of Clinton has identified critical locations vital to the city continuing to operate during a crisis. Hurricane Katrina played a vital key in testing local capabilities and putting them to the test.
- Measures have been taken and plans continue to be made to protect vital infrastructure components such as: water wells and sewer pump stations have been updated and secured, physical security has been upgraded at both Police and Fire Stations. Communications have been upgraded to a Digital 800 system providing secure communications for Police and Fire, while continuing to re-evaluate and adapt with the times.
- The City of Clinton maintains a collaborative partnership between and among a diverse set of security partners, including Federal Government, State, and Local Government's; the private sector, and non-governmental organizations, for sharing information and implementing protection programs and training.

E. Information Sharing-

- Officials for each discipline maintain a flow of information through electronic and voice communications with Local, State, and Federal Officials on a regular basis.
- Police and Fire Officials continue to train and respond with surrounding jurisdictions when called upon to do so.

F. Interoperable Communications-

City Of Clinton 2013 Homeland Security Grant Funding Proposal

- Emergency 911 Operators monitor calls twenty-four hours a day seven days a week with assistance of an enhanced Computer Aided Dispatch System.
- Radio Communications were recently upgraded to a Digital 800 System with expansion capabilities. Thus enabling the city to communicate directly with Hinds County Services and Hinds County Emergency Management Officials.
- Communications with multiple jurisdictions using different (non-compatible) systems is now achievable through an ACU1000 which is maintained by Hinds County Emergency Management.
- The City maintains alphanumeric pagers and cellular communications for key personnel, vital during response and recovery efforts.

G. Medical Surge/Mass Prophylaxis-

- Technical skills for limited triage situations, Emergency Medical Service Personnel, and approximately fifty Emergency Medical Technicians, with advanced life support capabilities, and a minimum of one paramedic at all times to include all Fire Fighter First Responders who are basic Emergency Medical Technician trained/certified.
- Full-time personnel on-hand maintaining drinking water purification and chemical treatment along with regular sampling to maintain the integrity of a safe drinking water system for area citizens.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

Resources-

- The City of Clinton intends to utilize Homeland Security Funds to enhance our terrorism response capabilities. The City of Clinton intends to do this by purchasing new and updated equipment to augment equipment which we have already purchased and provide sufficient scenario based training exercises to educate and inform first responders within each discipline, in the areas of prevention, protecting, response to and recovery from acts of terrorism and other man-made disasters to include natural disasters.
- The City of Clinton will continue to offer assistance to jurisdictions throughout the state, when requested. This will include explosive device response operations.
- The City will maintain equipment and continue to train personnel in prevention, protection, response, and recovery from disasters even if federal funding should not be available in the future.
- Law Enforcement continues to be challenged with having manpower available to adequately meet with local community organizations including educational facilities. Plans are currently being made for awareness training with Mississippi College and the Clinton School District. Law Enforcement intends to have adequate and cooperative plans in place at educational facilities to promote an informative and successful response when called upon.
- Cooperative relationships exist with other local, state and federal authorities and training partnerships continue to take shape through diligent planning.
- Military Explosive Ordnance support has been removed from within the state. This asset if needed would have a significant distance to travel should they be needed. Thus resulting in a greater dependence on Public Safety Bomb Technicians to respond to and mitigate calls concerning military ordnance.
- Up-to-date Point of Contacts for military ordnance related calls and a functioning computer database for reference in dealing with these items is greatly needed by all Public Safety Bomb Squads throughout the state.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

COMPLIANCE

Implementation of NIMS/NRP-

-
- A large majority of the City's First Responders have been trained in implementation of the National Incident Management System. Ongoing in-service training to further educate all personnel employed by the City of Clinton in the implementation of NIMS continues.
 - The Clinton Fire Department staff's a Hazmat Response Team and has partnered with the Police Department to assist in cross training Law Enforcement personnel in Hazmat response.
 - City Personnel continue to train in NIMS compliance courses and the implementation on the National Response Plan.

Implementation of NIPP- (National Infrastructure Protection Plan)

-
- At current the City of Clinton has identified critical locations vital to the city continuing to operate during a crisis. Hurricane Katrina played a vital role in testing local capabilities and putting them to the test.
 - Measures have been taken and plans continue to be made to protect vital infrastructure components such as: water wells and sewer pump stations have been updated and secured, physical security has been upgraded at both Police and Fire Stations. Communications have been upgraded to a Digital 800 system providing secure communications for Police and Fire, while continuing to re-evaluate and adapt with the times and changes in available technology.
 - The City of Clinton maintains a collaborative partnership between and among a diverse set of security partners, including Federal, State, and Local Government Agencies; the

City Of Clinton 2013 Homeland Security Grant Funding Proposal

Grand Gulf nuclear power station is a General Electric boiling water reactor. It lies on a 2,100-acre (8.5 km²) site near Port Gibson, Mississippi. The site is wooded and contains two lakes. The plant has a 520-foot (158 m) cooling tower.

Grand Gulf is operated by Entergy Nuclear and owned jointly by System Energy Resources, Inc. (90%) and by South Mississippi Electric Power Association (10%).

As of January 1, 2005, Mississippi ranked 23rd among the 31 States with nuclear capacity.

Almost a fourth of Mississippi's electricity output is provided by the Grand Gulf Nuclear Power Station. With only a single reactor, Grand Gulf is not in position to be the State's dominant supplier of electricity. The competition for first is between coal and natural gas, fossil fuels that account for two thirds of the State's electricity generation.

Nuclear power is not the dominant supplier, but it is a steady supplier. With an uprate of capacity in 2002, nuclear managed to supply 24 percent of the State's electricity in both 2003 and 2004.

Between 2002 and 2004, natural gas swapped leadership with coal (see table). Other fuels account for a small share of the electricity supply, but that small share is growing rapidly: from 3 percent in 2002 to 10 percent in 2004.

Mississippi relies on natural gas at least as much as on nuclear power, but the fluctuations in gas prices probably have hampered gas in reaching its full potential. In 2002, gas was the number one supplier of electricity in Mississippi. The next year, it dropped to third.

The State's domestic coal production is not sufficient to supply its electric power industry, so it relies heavily on out-of State production, mainly from Colorado (2.4 million short tons in 2003).

 City Of Clinton 2013 Homeland
Security Grant Funding Proposal

Mississippi is one of the candidates for a new nuclear power plant, based on recent industry announcements. Doubling nuclear capacity could have a significant impact the State's electricity supply.

MS OIL and GAS PIPELINES

Bombs uncovered during pipeline excavation Boston Herald

2009-06-11

An Oklahoma excavation crew digging a trench to lay in a natural gas pipeline were surprised Wednesday morning when they found about 20 unexploded bombs. The pipeline work was being

conducted just inside the Jasper County line off Hwy. 11 South and Clarke County Road 286. County Emergency Management Agency authorities, The Clinton Police Department Bomb Squad and U.S. Army Ordinance Unit (Fort Polk, LA) participated in removing the bombs.

TATP (tri-acetone, tri-peroxide) Homemade Explosives Found in MS

Warrant search finds moonshine, explosives

By: THERESE APEL, DAILY LEADER Staff Writer

July 29, 2008

[✉ Email to a friend](#) [🗨 Voice your opinion](#)

A months-long probe by the Lincoln County Sheriff's Department and several state agencies came to a head just after dawn Friday morning when agents executed two search warrants and uncovered not only a moonshine still, but also weapons and explosive materials.

>Three Lincoln County residents were arrested in the sting when the LCSD, Southwest Mississippi Narcotics Enforcement Unit, the Mississippi Bureau of Narcotics and the Department of Alcohol Beverage Control executed the alcohol- and drug-related warrants at the King family home at 1897 Highway 583, said Lincoln County Sheriff Steve Rushing.

Rushing said during the course of the search, evidence was turned over leading to the arrests of Elton Rayford King, 53, on charges of possession of an illegal distillery, conspiracy to possess an illegal distillery, and possession of untaxed whiskey; his wife Bobbie J. King, 47, possession of alcohol in a dry county and conspiracy to possess an illegal distillery; and their son John R. King, 20, on possession of explosive materials and manufacture of explosive materials.

Advertisement

During the course of the investigation, controlled purchases of undisclosed substances had been made by agents at the Kings' residence, said SMNEU Deputy Commander John Douglas.

"We ran two separate warrants simultaneously: one was for the ABC and the other was for SMNEU. And of course whenever we're doing anything as far as the narcotics warrants go, we're going to involve MBN," Douglas said about Friday's activities.

City Of Clinton 2013 Homeland Security Grant Funding Proposal

ABC Director of Enforcement Chief Mark Hicks said agents found a small moonshine still and a small amount of mash and moonshine in the Kings' mobile home. Rayford King may also face charges of being a convicted felon in possession of a firearm, Hicks said.

Meanwhile, officials said, possible bomb-making materials and homemade explosives believed to belong to John King were also found. The Clinton Police Department Bomb Squad, the Jackson Police Department Bomb Squad, and the Bureau of Alcohol, Tobacco and Firearms were called in to secure the residence and collect evidence.

"We decided we'd rather err on the side of safety and bring in the appropriate agencies since we weren't sure off the bat what we were dealing with," Rushing said. "There is an investigation ongoing into the explosives that were found."

Neighbor Heather Denning said in recent weeks that she and other neighbors had heard possible gunfire around the Kings' home. She said other neighbors had recently called police to the Kings' residence about the possible bomb activity.

"Wednesday the neighbor on the other side had called the cops on them about the explosives ...," said Denning, adding that Rayford King had asked her husband, Brien, if he had been the one who filed the report. "For the past couple of months we had heard what we thought were gunshots, and those were the little bombs, apparently."

Witnesses in the area around 2 p.m. Friday said they heard at least one explosion that seemed to come from a field adjacent to the area where the mobile home was. Officials did not specify how disposal of the materials was handled.

"The items in question were handled by the ATF," Rushing said. "The ATF took a core sample to be tested but they and the Clinton Bomb Squad disposed of the rest."

The McComb Regional Response Team and the Ruth and East Lincoln Volunteer Fire Departments were on the scene, reportedly in case fire support or hazardous materials expertise were needed, Hicks said.

Earlier in the day, Douglas said a National Guard Raider Team counter drug helicopter was on-site helping conduct marijuana searches from the air. Denning said she was told by an agent that they were looking for narcotics.

"When the narcotics agent came over and talked to us, he said they had made several purchases there and said that they were there for narcotics," Denning said, adding that she asked him why they needed so many agents just for a narcotics sting. "Then he said they had found suspicious materials that were alarming to them, and I guess that was when they found the bombing materials."

Officials said more than 21 agencies, including the Federal Bureau of Investigation, the Mississippi

City Of Clinton 2013 Homeland Security Grant Funding Proposal

Bureau of Investigation, Homeland Security and the Mississippi Emergency Management Agency, were on the scene due to the spectrum of the charges and the need for qualified experts to handle the evidence.

But neighbors said, moonshine charges aside, that Rayford King had always been a good neighbor.

"They bring us fresh vegetables they grow in their garden," said Denning, while also saying she was sorry to see the family allegedly involved in illegal activity. "Mr. King is a nice guy, and he's always been really friendly."

All three Kings were still in the Lincoln County Jail Saturday afternoon, jail officials said.

Problem Identification:

Problem Statement

Provide detailed information on the problems in your agency areas and why federal funds are being requested for the FY15 grant year.

Clinton is the 2nd largest City in Hinds County, Mississippi and is located in the Central portion of the State. The 2011 Census Bureau statistics indicate Clinton's population at 25,216. The Clinton Police Department is responsible for patrolling and the protection of persons and property contained within its area of approximately 42.10 square miles. The City of Clinton contains 2 major highways that include I-20 and US Highway 80, and numerous streets and roadways. The high levels of traffic traveling these interstates, highways, city streets and county roadways, has contributed to the large number of motor vehicle crashes that occur within the City of Clinton.

The City of Clinton borders Jackson, the largest city in Hinds County, and the ease of access through I-20 and Highway 80 has increased traffic into the City of Clinton. This being increases the impaired driver's coming into the City Limits of Clinton. Clinton is also home to Mississippi College, and the Clinton Public School System. Given these areas the City of Clinton will enforce zero tolerance on impaired and drugged driving and aggressively pursue cases in court.

Motor vehicle crashes, more than any other type of unintentional injury, pose a major threat to our lives and well-being. Motor vehicle crashes are the number one (#1) killer of children, teenagers and young adults. The unfortunate reality is that most severe and fatal injuries are sustained needlessly. It is an established fact that motor vehicle collisions, along with their resulting injuries and fatalities, are often both predictable and preventable. Yet in spite of the avoidable nature of most traffic crashes and their resulting human devastation, more than 3.4 million Americans are injured in traffic related crashes each year and approximately 42,000 of these people die from their injuries. Traffic collisions cost our society approximately 170 billion dollars in lost productivity, medical and rehabilitative expenses and property damage.

As a result, the Clinton Police Department wishes to increase its role in the prevention of crashes through funding for DUI Enforcement Officer, from the Mississippi Office of Highway Safety. This DUI Enforcement Officer will aggressively enforce the impaired driving laws of the State of Mississippi throughout Clinton, especially in areas and time frames statistically identified as the most dangerous for fatal and injury related crashes. Therefore, this funding is necessary to continue strong enforcement and education efforts within Clinton. Given the size of this community and its rapid growth population, along with the immense amount of travel, funding for the DUI Enforcement Officer is a need that must be fulfilled. The Clinton Police Departments, fiscal year begins October 1st of each year.

Problem Identification:

Location:

This section must be filled out completely for all project applications. Please provide problem identification for the location that the grant will seek funding, such as high speed areas, community events, alcohol related establishments, etc.

According to Clinton's Mapper Data Reports for the fiscal year 2013, there were approximately 675 traffic related crashes, of these there were 1 fatalities of which 0 was alcohol related; 127 with injuries of which 14 were alcohol related; and 547 crashes resulting in additional property damage of which 14 were alcohol related. The Mississippi Department of Public Safety ranks Hinds County among the highest in traffic crashes in the State. Hinds County is ranked 5th in Mississippi for the highest death rate per miles traveled.

The problem is especially severe in the State of Mississippi where, for more than a decade our state has ranked among the five most dangerous states in which to travel.

The Clinton Police Department is dedicated in keeping, as its priority, DUI enforcement and DUI education, so our citizens and youth will have safe streets upon which to travel.

Due to the high number of traffic crashes along with their resulting injuries and deaths, the Clinton Police Department seriously considers any effort, which will reduce the carnage that our citizens and traveling public are exposed too while traveling on Mississippi roadways.

The most logical conclusions we have found to be successful and proven are; DUI enforcement and DUI education. We have taken a stand, in an attempt to reduce the number of injuries and deaths by diligently enforcing, in a zero tolerance manner, Mississippi traffic and DUI laws.

Our Agency has determined that not only should we enforce all traffic and DUI laws in a zero tolerance manner, but continue educating our citizens regarding the impact of current DUI data trends and alcohol countermeasures; thereby decreasing the number of alcohol related crashes, injuries, and deaths affecting our

communities and our state. Also, we have determined that combining education and coordinated enforcement efforts with other law enforcement agencies within our region is crucial due to the large volume of metropolitan commuter traffic within the City of Clinton.

Proposed Countermeasures:

Please give a description of how the agency will use funds to counter measure the problems in the agencies problem identification during FY15.

The Clinton Police Department requests assistance from the Mississippi Office of Highway Safety for an Alcohol/Drug Countermeasure Grant.

Stronger enforcement of Mississippi's existing DUI laws along with more visible support from all law enforcement agencies, regarding DUI enforcement and alcohol countermeasures are the continuing objectives that must be accomplished in order to achieve Mississippi's goal of saving lives. The Alcohol/Drug Countermeasure Project developed by the Mississippi Office of Highway Safety has proposed the framework, network, and tactical approach necessary to accomplish these key objectives. For continued success, the Alcohol/Drug Countermeasure must continue to build support and education among the many law enforcement agencies across Mississippi. Our proposal and commitment will serve as a key element in this effort.

- ✓ Increase public awareness through public presentations regarding DUI, traffic safety and alcohol awareness, along with the strategic implementation of the zero tolerance, youth alcohol initiative and DUI educational presentations within the Clinton Public School District.
- ✓ Maintain DUI arrests through strategic enforcement planning and execution of effective DUI and Roadside Safety Checkpoints, Saturation Patrols, High Visibility Zone Enforcements, and Increased Personal Contacts.
- ✓ The Clinton Police Department submits this proposal as a continuing effort to the Alcohol/Drug Countermeasure Project; to continue conducting activities under the supervision of the Mississippi Office of Highway Safety and the Mississippi Law Enforcement Liaison Office, in pursuit of this projects goal, which is: **Increase DUI deterrence and decrease alcohol/impaired driving related crashes, fatalities and injuries.**

At present, the Clinton Police Department has no full-time Traffic Division officer, that is dedicated strictly to DUI Enforcement. The Clinton Police Department would like to add an officer to provide a comprehensive approach to enforcement and education. The DUI Enforcement Officer will also continue promoting participation and attendance in **MAHSL** (Mississippi Association of Highway Safety Leaders) meetings and **STORM** (Sobriety Trained Officers Representing Mississippi) activities, both of which are divisions of the Mississippi Office of Highway Safety.

The Clinton Police Department is committed to the continued educational training of DUI Enforcement Strategies and Mississippi DUI Laws to Cadets in addition to providing in-service training to Mississippi Law Enforcement Training Academies; by conducting DUI educational seminars with local area schools, colleges, civic groups, judges and prosecutors. The Clinton Police Department will continue to assist the Mississippi Office of Highway Safety by monitoring crashes involving injuries and fatalities each month and report them in the monthly mobilization sustained enforcement reports and the quarterly reports submitted to the Mississippi Office of Highway Safety.

The Clinton Police Department DUI Enforcement Officer, will conduct quarterly presentations to local area schools, civic groups, and colleges; targeting the fearless, free spirited pre-teens and teens; thereby providing DUI educational information and current statistical data concerning the DUI problem and its negative impact on the lives of survivors, family members, workforce, medical institutions, insurance industry, and the taxpaying society. With the use of successfully implemented the use of fatal vision goggles. These DUI presentations are designed to be delivered during peak times and events i.e. holidays, proms, graduation, etc. The DUI Enforcement Officer, will also conduct quarterly seminars to metro area prosecutors and judges in an effort to provide additional training on Mississippi DUI case law updates and the abuse by judges regarding zero tolerance non-adjudication. These seminars provide a dialogue between law enforcement and the courts as to the implementation and continuation of assessment and treatment programs offered during sentencing of DUI offenders. The Clinton Municipal Court assist in the continued monitored treatment of these offenders through, Court Watch, MASEP, mandatory specimen testing, and established victim impact panels. The foundation of all presentations and instruction seminars are rooted in Alcohol/ Impaired Driving Countermeasures.

The Clinton Police Department will meet these objectives by: planning, coordinating, and executing the proposed activities thereby enlisting participation from local media outlets, the Mississippi Highway Patrol, and adjacent law enforcement agencies while conducting, effective DUI and roadside safety checkpoints, saturation patrols, high visibility zone enforcements and personal contacts, during local, state and national impaired driving blitz campaigns. These combined enforcement activities are designed to maximize public awareness and law enforcement agency resources, while intensifying the effort to curb the DUI problem within Mississippi. The statistical data from these local, state and national impaired driving blitz campaigns will then be compiled and forwarded to the Mississippi Law Enforcement Liaison Office.

Since the Clinton Police Department is the applicant for this funding, all NHTSA (National Highway Traffic Safety Administration) funds must be spent on alcohol/drug impaired driving countermeasures activities. Agencies involved in Mississippi DUI education, i.e. MADD (Mothers Against Drunk Driving), MASEP (Mississippi Alcohol Safety Education Safety Program), MSU - SSRC (Mississippi State University – Social Science Research Center), the Mississippi Attorney General's Office, the Mississippi Law Enforcement Liaison Office, and the Mississippi Office of Highway Safety.

Proposed Countermeasures:

Goals, Performance Measure and Tasks

{See Grant Funding Guidelines for information on correct format and information needed under this section. Must be specific, measureable (include hard numbers from previous year), detailed outline of program activities and projected achievements during grant period}.

Goal:

The overall goal of the Alcohol/Drug Countermeasure Project will be to: Increase DUI deterrence and decrease alcohol/drug related crashes, fatalities and injuries. To keep the citizens and law enforcement in the surrounding area educated on DUI laws and their importance. The objectives, which will be met in order to achieve these goals, are as follows:

Tasks:

1: To Increase Public Traffic Safety in Clinton, Mississippi:

Tasks necessary to meet this objective:

1. To reduce the total motor vehicle collisions occurring in FY-2013 by 10% from 675 to 608 in FY-2015; reducing the number of fatalities by 50% from 1 to 0; reducing the number of alcohol/impaired driving related crashes by 25% from 14 to 7; reducing the number of pedestrian fatalities by 0% from 0 to 0; reducing the number of speed related fatalities by 0% from 0 to 0; reducing the number of motorcycle fatalities by 0% from 0 to 0; reducing the number of drivers under the age of 21 in fatal crashes by 0% from 0 to 0; and by decreasing the average BAC of impaired drivers by 25% from .143 to .108, during FY-2015.
2. To increase DUI/impaired driving arrests in Hinds County by 10% from 111 DUI/impaired driving arrests in FY-2013 to 122 DUI/impaired driving arrests in FY-2015.
3. To continue to train and certify additional Clinton Police Officers in NHTSA's - Standardized Field Sobriety Testing certification classes.
4. To continue participation in NHTSA's national blitz campaigns by conducting, effective DUI and roadside safety checkpoints, saturation patrols, high visibility zone enforcements and increased personal contacts, during local, state and national DUI STEP (Special Traffic Enforcement Programs), mobilization periods and campaigns; especially during peak holiday events. These combined network enforcement activities are designed to maximize public awareness and law enforcement agency resources, while intensifying the effort to curb the DUI problem within Mississippi. The statistical data gathered from these local, state and national blitz campaigns will then be compiled and forwarded to the Mississippi Law Enforcement Liaison Office.
5. To plan and coordinate quarterly DUI/alcohol countermeasure presentations to students and faculty within the Clinton Public School District.

2: To Increase DUI Arrests by; Strengthening Enforcement:

Tasks necessary to meet this objective:

1. Coordinate DUI STEPs, including all NHTSA mobilizations within the Clinton Police Department in conjunction with local, state and national DUI/impaired driving enforcement efforts.
2. Maintain DUI enforcement personnel within the Clinton Police Department.
3. Enforce zero tolerance BAC/BrAC for underage youths.
4. Continue DUI enforcement and DUI/alcohol countermeasure educational programs, as well as continue training in available classes of motor vehicle crash reconstruction in-order to strengthen the conviction rate of DUI related, serious injury and fatality crimes.

3: To Conduct Public Presentations and Increase Awareness with the Clinton Police Department Officers Regarding Traffic Safety, Alcohol Awareness, and Zero Tolerance:

Tasks necessary to meet this objective:

1. Share information with the Officer's of the Clinton Police Department regarding Mississippi's latest statistical data regarding current traffic safety status versus the effectiveness of established goals, achievements, and/or failures; thereby creating dialog to address problematic issues. To share information regarding Mississippi DUI and zero tolerance laws, their compliance rates, in addition to current DUI defense trends being experienced by officers in various regions of the State.
2. Assist Clinton Police Department with implementation of a DUI awareness program with emphasis on zero tolerance BAC/BrAC for youths.
3. Instruct DUI enforcement strategies, Mississippi DUI laws, and case law updates to the basic law enforcement cadet classes as well as in-service DUI update training to Mississippi Law Enforcement Training Academies as requested.
4. Conduct quarterly DUI educational seminars for area schools, colleges, civic groups, judges, and prosecutors.
5. Promote DUI education and enforcement strategies within the Clinton Police Department.

4: To Strengthen the Link between the Clinton Police Department and the Mississippi Office of Highway Safety by; Participating in National and State Conferences and M.A.H.S.L. Meetings:

Tasks necessary to meet this objective:

1. Participate in annual STARS and STORM conferences as scheduled, as these conferences provide informational updates on DUI laws pertaining to other states and offers networking along with new ideas on DUI prosecution and DUI enforcement strategies; also provides instruction on NHTSA's directional focus, new ideas, grant information, and availability regarding all traffic safety issues.
2. Promote membership and participation in MAHSL and STORM.

Evaluation

Monthly STEP and individual officer's statistical reports are generated and included as supporting documentation within the quarterly progress reports and utilized to evaluate project status. These progress reports will be submitted to the Mississippi Division of Public Safety Planning within 15 days of the end of each quarter. All DUI violation statistics, as well as Mississippi Uniform Crash Reports will be forwarded to the Mississippi Department of Public Safety as required by law. Monthly mobilization and sustained enforcement reports will be made on the effectiveness of DUI and Roadside Safety Checkpoints, High Visibility Zone Enforcements, Saturation Patrols and Increased Personal Contacts; then submitted to the Mississippi Law Enforcement Liaison Office and the Mississippi Office of Highway Safety.

Training

Additional training is critical to the success of DUI enforcement programming. The DUI Officers are required to be NHTSA/SFST (Standardized Field Sobriety Training) certified. STORM insures that active DUI Officers in Mississippi are SFST certified, and are re-certified in SFST every two years, with SFST Instructors being re-certified every year. Semi-annual STORM Conferences offer SFST refresher courses regarding new laws along with NHTSA/SFST curriculum updates and techniques concerning SFST. Attending National conferences such as DRE and Lifesavers provides information regarding new laws, networking and new strategies with other states and agencies regarding the successful enforcement and prosecution of DUI's. in order to aid in the successful investigation and prosecution of alcohol DUI offenders; LEMVI (Law Enforcement Mobile Video Institute); proper in-car mobile video camera operation to ensure all UI evidence and clues are recorded for proper prosecution of DUI Offenders; and all other classes/curriculums offered through the Mississippi Office of Highway Safety and the Mississippi Law Enforcement Liaison Office.

Proposed Countermeasures:

Program Coordination:

If you currently have a federal grant through the Mississippi Office of Highway Safety, please provide the name of your current Program Manager?

If grant is awarded, please identify the following:

Name of Chief/Sheriff/Partner:	Name of Project Director:
Chief Mike Warren	Capt. Mike Gill
Phone Number:	Phone Number:
(601)924-5252	(601)924-5252
Email Address:	Email Address:
Warren108@clintonpd.org	Gill131@clintonpd.org

Proposed Countermeasures:

Program Coordination Information:

Please provide information on how the grant duties will be coordinated.

The Coordinator for this project will be Captain Mike Gill of the Clinton Police Department. Captain Gill is a vital member of the Clinton Police Department and possesses (26) years of law enforcement experience and (6) years of federal grant management. He will be responsible for securing, compiling and reporting necessary statistical data for this project, in addition to pertinent supporting documentation and financial works sheets. His responsibilities will also include program management, project direction, supervising local, state and national program network activities, as well as planning and coordinating public service information and preparation of quarterly reports.

Proposed Countermeasures:

Law Enforcement:

Please provide the following:

The Clinton Police Department will utilize the requested federal funds to fulfill the goals, objectives and tasks as detailed within this contractual agreement; to wit:

1. To increase Public Traffic Safety in Clinton, Mississippi by; increasing DUI arrests through effective DUI and roadside safety checkpoints, saturation patrols, high visibility zone enforcements and increased personal contacts; thereby decreasing alcohol/drug impaired driving related crashes, fatalities and injuries.
2. To increase DUI arrests by; strengthening enforcement within the Clinton Police Department; through continued impaired driving educational presentations, and through strategic planning and coordination of effective multi-jurisdictional enforcement activities.
3. To conduct public presentations and increase awareness among officers regarding: DUI, traffic safety, alcohol/drug awareness and zero tolerance.
4. To strengthen the link between the Clinton Police Department and the Mississippi Office of Highway Safety by; participating in national and state DUI/DRE conferences and MAHSL meetings.

Social Security: \$2,907.00
Retirement: \$5,418.80

Proposed Countermeasures:

Proposed Project Staff for Grant Responsibilities:

Please submit information for proposed staff that will be funded with federal funds under the grant.

The Clinton Police Department DUI Enforcement officer will diligently seek the prosecution and conviction of all contested DUI/Impaired driving citations/affidavits within our court system(s), as well as continued assistance from Clinton Municipal, County and Circuit Court clerks regarding accurate data of affidavits, convictions and fines levied through this project.

Proposed Countermeasures:

Prosecutions and Adjudication: Data

Please submit information for the program area in which you are applying. Agency citation conviction rate should include DUI, hazardous moving violations, child restraint, etc. dependent upon request for funding source/area. (Outreach-Where Applicable)

Type of Citation	Conviction Rate
Impaired Driving	96.1%
Seatbelt Violation	99.0%
Child Restraint Violation	97.0%
Speed	98.0%

Proposed Countermeasures:

Prosecutions and Adjudication Information

Please provide information, if available on prosecution and adjudication information for your agency.

Proposed Countermeasures:

Public Information and Education

Please describe your plans for public information and education, to include, but not limited to media campaigns, public events, school presentations, etc. Please give information on how many per quarter.

The Clinton Police Department has developed an extraordinary relationship with all (4) major network television media outlets as well as the Clarion Ledger and Jackson Advocate Newspaper outlets. We will continue to partner and utilize these resources as an effective method of educating the public as well as continuing to promote the messages and goals of this project during all alcohol countermeasures: public presentations, instruction and enforcement activities. We will continue to conduct educational seminars as well.

To share information regarding Mississippi DUI and zero tolerance laws, their compliance rates, in addition to current DUI defense trends being experienced by officers in various regions of the State.

Implementation of a DUI awareness program with emphasis on zero tolerance BAC for underage youths.

Instruct DUI enforcement strategies, Mississippi DUI laws, and case law to the basic law enforcement cadet classes as well as in-service DUI update training at Mississippi Law Enforcement Training Academies as requested.

Conduct 1 DUI educational seminar for area schools, colleges, civic groups, judges and prosecutors. Per Quarter

Promote DUI education and enforcement strategies within the Clinton Police Department.

Additional Information on Agency Policy:

Required Performance Reporting Evaluation

Subgrantee agrees to submit all required reporting documentation by the scheduled date(s) as defined in the contract by MOHS. Check all that apply:

X	Monthly Cost Reporting Worksheets for Reimbursement (Individual Officer Report/Step Forms and/or Activity Sheets)
X	Supporting documentation for reimbursement
X	Quarterly Reports
X	Blitz Report Information
X	Travel Reimbursements
X	Budget Modifications
X	Distribution Plans for Promotional Items
X	Inventory Control Forms for equipment and supporting documentation for reimbursement
X	Closeout Documentation

Performance Reporting Information:

Training:

Include a detailed assessment of traffic safety training needs within the program area in which you are applying and how the training will benefit the program. (i.e. SFST, ARIDE, DRE, CPS, etc.)

Additional training is critical to the success of DUI enforcement programming. The DUI Officers are required to be NHTSA/SFST (Standardized Field Sobriety Training) certified. STORM insures that active DUI Officers in Mississippi are SFST certified, and are re-certified in SFST every two years, with SFST Instructors being re-certified every year. Semi-annual STORM Conferences offer SFST refresher courses regarding new laws along with NHTSA/SFST curriculum updates and techniques concerning SFST. Attending National conferences such as DRE and Lifesavers provides information regarding new laws, networking and new strategies with other states and agencies regarding the successful enforcement and prosecution of DUI's. in order to aid in the successful investigation and prosecution of alcohol DUI offenders; LEMVI (Law Enforcement Mobile Video Institute); proper in-car mobile video camera operation to ensure all DUI evidence and clues are recorded for proper prosecution of DUI Offenders; and all other classes/curriculums offered through the Mississippi Office of Highway Safety and the Mississippi Law Enforcement Liaison Office.

Travel:

include a detailed assessment of travel needs within the program area in which you are applying. Also include a cost estimate for all travel needs (airfare, hotel, per diem, mileage, parking, baggage and other travel related expenses. (Based on current state and federal guidelines)

Purpose of Travel:	Number of People:	Cost:	Total:
Highway Safety STARS Conference	1	\$513.30	\$513.30
STORM Conference	1	\$343.20	\$343.20
			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
TOTALS		\$856.50	\$856.50

Travel Information:

** \$856.50 Travel for DUI Officer to attend Highway Safety STARS Conference and STORM Conference, includes registration fees, lodging, meals, training cost, transportation cost, and mileage for in-state and out of state travel.**

Distribution Plan for Promotional Items:

Include a detailed assessment of promotional item needs within the program area in which you are applying. Please include event, type of item requested, estimate number of items needed and purpose for each event.

Proposed Event	Items Requested	Number of Items	Purpose of Event

Detailed Distribution Plan:

Equipment:

Please list the cost for each piece of equipment requested. Please note: Federal guidelines require equipment purchased must be essential to the project. If any equipment is requested in the application that is over \$5,000.00, please include quotes for the equipment, equipment descriptions and a thorough explanation of the use of the equipment. All equipment must be approved by MOHS and/or NHTSA and be included on the Conforming Product List (CPL) and must be used specifically for the purposes for which is purchased. CPL list can be found at:

Alcohol Screening Devices:

<http://www.gpo.gov/fdsys/pkg/FR-2012-06-14/pdf/2012-14582.pdf>

Breath Alcohol Measurement Devices:

<http://www.gpo.gov/fdsys/pkg/FR-2012-06-14/pdf/2012-14581.pdf>

Calibrating Units for Breath Alcohol Testers

Lidar Speed-Measuring Devices

<http://icsw.nhtsa.gov/people/injury/enforce/SpeedMeasure/lidarcpldec162002.pdf>

Equipment	# requested	Cost (each)	Line Total
Digital Ally In Car Video DVM750	1	\$4,995.95	\$4,995.95
VU Vault Software (For DVM750)	1	\$595.00	\$595.00
Dell Laptop	1	\$500.00	\$500.00
Windows Surface Tablet	1	\$500.00	\$500.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
TOTALS			\$6,590.95

Describe how equipment will be used for grant purposes:

The In Car Video will be used for recording and storage of traffic stops to record the vehicle in motion, personal contact, and pre-arrest screening on all DUI suspects. The system will be used to record the traffic violation, the appearance and actions of the suspect, and record Field Sobriety and save for use in court cases for prosecution. The software will be used to store and transfer the video onto laptop to be burned to CD for court purposes.

The Laptop and tablet will be used for the storage of video files and used to burn CD's for court, the tablet will be used in court for files, video's, and in car for notes on DUI Arrest and SFST.

FY15 PROPOSED TASK BY QUARTER

AGENCY NAME: CLINTON POLICE DEPARTMENT

PROJECTION TASK BY QUARTERS:

Please include information regarding Blitz participation, if agency is participating in a blitz during quarter.

SCHEDULE PROJECTION OF TASKS BY QUARTERS

List the performance schedule of tasks by quarters referring specifically to the Statement of Tasks in the narrative description and defining the components of tasks to be accomplished by quarters. Tasks that extend beyond one quarter should specify the elements of the tasks that are to be performed for the particular quarters.

1st QUARTER (OCTOBER, NOVEMBER & DECEMBER)

Purchase approved equipment for quarter.

Submit request for promotional items within quarter.

Attend, at a minimum, one (1) MAHSL meeting during quarter.

Attend LEL Troop Network meeting.

Conduct not less than two (2) checkpoints during quarter for the Christmas/New Years Drive Sober or Get Pulled Over National Impaired Driving Campaign.

Conduct not less than two (2) saturation patrols during quarter for the Christmas/New Years Drive Sober or Get Pulled Over National Impaired Driving Campaign

Issue not less than a minimum of thirty (30) DUI citations during quarter, to reach 10% goal of (120) for FY2015.

Agency will conduct a minimum of one (1) school, community and/or public information presentation during the quarter.

Attend approved training classes during the quarter.

Submit all required reporting by scheduled date(s) as defined in contract by MOHS, i.e. (Monthly Cost Reporting Worksheets for reimbursement, Quarterly Progress reports, etc.)

Additional Tasks:

Enforce Mississippi DUI laws including zero tolerance BAC/BrAC for underage youths.

Participate in NHTSA's national blitz campaigns(Christmas/New Year's) by conducting, effective DUI and roadside safety checkpoints, saturation patrols, high visibility zone enforcement and increased person contacts, during local, state and National DUI STEP mobilization periods and campaigns, especially during peak holiday events.

Continue DUI enforcement and alcohol/drug countermeasure educational programs, as well as continue training in available valuable classes of motor vehicle crash reconstruction in-order to strengthen the conviction rate of DUI related, serious injury and fatality crimes.

Projected Expenditures for Quarter:

Additional Tasks:

Projected Expenditures for Quarter:

Mississippi OFFICE OF HIGHWAY SAFETY

Agreement of Understanding and Compliance

The Agreement of Understanding and Compliance documents will be attached within the Grant Agreement. The Applicant will be required to sign all compliance documents upon receipt of the finalized Grant Agreement between the State, MOHS and applicant. The following compliance certifications and assurances will be included in the Grant Agreement.

State and Federal Certifications and Assurances

- I. REIMBURSEMENT OF ELIGIBLE EXPENSES
- II. ON-SITE MONITORING AND EVALUATION

- III. PROPERTY AGREEMENT
- IV. STAFFING
- V. GENERAL PROJECT REQUIREMENTS
- VI. UNALLOWABLE COST
- VII. NONDISCRIMINATION
- VIII. THE DRUG-FREE WORKPLACE ACT OF 1988 (41USC 8103)
- X. BUY AMERICA ACT
- X. POLITICAL ACTIVITY (HATCH ACT)
- XI. CERTIFICATION REGARDING LOBBYING
- XII. RESTRICTION ON STATE LOBBYING
- XIII. CERTIFICATION REGARDING DEBARMENT AND SUSPENSION
- XIV. POLICY ON SEATBELT USE

- XV. POLICY ON BANNING TEXT MESSAGING WHILE DRIVING
- XVI. ENVIRONMENTAL IMPACT

Additional MOHS Program Compliance Documents

The MOHS will include all program compliances documents in the FY15 Grant Agreement documents.

STATE CERTIFICATION AND ASSURANCE

Assurance Requirement of Subgrant Recipients:

In cooperation with the Mississippi Office of Highway Safety, all grant and/or subgrant recipients (regardless of the type of entity or the amount awarded) must comply with the following notice requirement:

During any occurrence or time period for application, selection, award, implementation or close out of a grant or an award, if the grantee, sub-grantee, or recipient: plans, organizes, sponsors or holds any seminar, conference, convention, symposium, training, event or any other meeting which encumbers, utilizes, expends or will encumber, utilize or expend grant funds, including all reimbursements derived from, generated in whole or in part, or determined to be proceeds of the grant or award; the grantee, sub-grantee or recipient must appropriately notify in writing, the MOHS grant manager, the MOHS director and/or the DPSP executive director of the planning for such an occurrence and afford opportunity for DPSP-MOHS personnel to attend and to participate, if they so desire.

Failure of grantee, sub-grantee or recipient to communicate relevant advance notice may lead to cost adjustment, disallowance of costs and/or recovery of pertinent project funds on the basis of off-set levied against any and all advanced funding, requests for reimbursements, or award of funds.

As the Authorized Official for, CITY OF CLINTON, MISSISSIPPI POLICE DEPARTMENT (grantee, sub-grantee, or recipient), I certify by my signature below, that I have fully read and am cognizant of our duties and responsibilities under this requirement. Therefore, I promise and will comply with this State Certification and Assurance condition.

Authorized Official's Signature (Grantee, Sub-grantee or Recipient)

This original signed form (blue ink only) must be returned to the Mississippi Office of Highway Safety, Division of Public Safety Planning, Department of Public Safety, within 10 days of the grant award beginning date.

LOCAL GOVERNMENTAL RESOLUTION
AGREEMENT AND AUTHORIZATION TO APPLY

WHEREAS, the Clinton MS Police Department

(Governing Body of Unit of Government)

herein called the "**APPLICANT**" has thoroughly considered the problem addressed in the application (entitled) and has reviewed the project described in the application; and

WHEREAS, under the terms of Public Law 89-564 as amended, the United States of America has authorized the Department of Transportation, through the Mississippi Office of Highway Safety to make federal contracts to assist local governments in the improvement of highway safety,

NOW THEREFORE BE IT RESOLVED BY THE City of Clinton Board of Alderman

(Governing Body of Unit of Government)

IN OPEN MEETING ASSEMBLED IN THE CITY of CLINTON **MISSISSIPPI,**

THIS 4th **Day of** MARCH, 2014 **AS FOLLOWS:**

1. That the project above is in the best interest of the Applicant and the general public.
2. That the Chief of Police, Michael J. Warren be authorized to file, on behalf of the
(Name and Title of Representative)
Applicant an application in the form prescribed by the Office of Highway Safety for federal funding in the amount of \$ 67,199.44 to be made to the Applicant defraying the cost of the
(Federal Dollar Requested)
project described in the application.
3. That the Applicant has formally agreed to provide a cash and/or in-kind contribution of
\$0.00 as required by the project.
(Local Match Amount)
4. That certified copies of this resolution be included as part of the application referenced above.
5. That this resolution shall take effect immediately upon its adoption.

DONE AND ORDERED IN OPEN MEETING BY:

(Chairman/Mayor - Blue Ink)

ALDERMAN
Commissioner/Councilman BARNETT offered the foregoing resolution and moved
its adoption, which was seconded by **Commissioner/Councilman** MARTIN and, was duly
adopted. ALDERMAN

Date: MARCH 4, 2014

Jurisdiction Data:

This section must be filled out completely for all project applications. If data is unavailable, please insert (NA) for not available. Enforcement use data related to your agency. Outreach use state wide information or focus area information.

Number of City Miles	42
Number of County Miles	1158
Number of Square Miles	41.82
Number of Population	26258

Additional Information:

The City of Clinton is located West of Jackson, Mississippi, the Capital City of Mississippi. Clinton shares a common border with Jackson and therefore shares common crime, traffic, and emergency response issues. Clinton's population is approximately 26,258 as of the most recent Census, however Clinton is home to MS College and several large business' which increases our daytime population to approximately 50,000. Clinton is continuing to grow in household population through increases in housing development and Clinton is also the proposed new location for the MS State Tax Commision Office which will further increase daytime traffic. As of recent, Nissan of Canton has established use of warehouse facilities within our Industrial Complex further increasing large vehicle traffic in those areas. There are seven (7) K-12 Grade Schools and Clinton is home to MS College who supports a large foreign student program. Mississippi College has recently started a campus expansion project which will increase pedestrian traffic across the Clinton Parkway (a heavily traveled vehicular corridor) and College Street. Kansas City Central Railroad transports hazardous materials and commodities through the middle of Clinton each day with numerous Rail/street crossings which is and has been considered a common traffic factor for drivers throughout the years. All of the factors outlined above combine to create a great deal of vehicular and pedestrian traffic on and along most all of the main roadways including Intestate 20, MS Highway 80, Northside Drive, Clinton Parkway and Pinehaven Road. Clinton is experienicing additional Retail growth and will see the completion of a frontage road project on the North side of Interstate 20 connecting Springridge Road at I-20 with US Highway 80 on the East Clinton City limits. Thus the need for implementation of a Police Traffic Safety Initiative project to address all moving violations, child and adult restraint violations, speeding, and Imparied Driving violations is needed. The City of Clinton has radar units in most every Marked Patrol vehicle and utilizes those units on all roadways within the City of Clinton. The City of Clinton Police Department Patrol Units work twelve hour non-rotating shifts. Officer getting off duty at 0600am would be able to hold over and work on an overtime basis the morning rush hour traffic and increase radar and traffic enforcement within school zones, construction areas and residential areas under the Police Traffic Safety Initiative Program Grant. Additionally the requested equipment would allow mobile monitoring of speed violations at or within target/problem areas, providing detail reports on time of day, traffic count and reoccurrence of violations, which will allow for a strategic enforcement plan be put into place. The equipment requested is data driven and data gathering, further enhancing our ability to implement appropriate action/response.

B. PROPOSED COUNTERMEASURES:

1. Goals Objectives and Tasks. {See Grant Funding Guidelines for information on correct format and information needed under this section. Must be specific, measureable (include hard numbers from previous year), detailed outline of program activities and projected achievements during grant period}.

Goals:

To reduce motor vehicle crashes by 1% from the year 2013 number of 651 crashes to 644 crashes by the end of FY2015.

To reduce the number of motor vehicle fatalities by 100% from the year 2013 number of two (02) fatalities to zero (0).

To reduce the number of motor vehicle crashes involving alcohol by 10% from the year 2012 number of fifteen (15) to eleven (11) by the end of FY2015

Objectives:

Conduct twenty (20) checkpoints in FY2015

Increase the number of DUI/DWI arrest from 78 to 86 in FY2015

Increase the number of speed citations from 1434 to 1577 in FY2015

Tasks:

Provide overtime to officers to reach goals and objectives.

Participate in training courses and conferences which pertain to and assist in achieving outlined goals and objectives.

Purchase and implement equipment in the field which will further obtain traffic data and assist in meeting overall goals and objectives.

2. Program Coordination. If grant is awarded, please identify the following:

Name of Chief/Sheriff/Partner: Michael J. Warren	Name of Project Director: Michael Gill

49
- Total Number of Officers Who Work Traffic?
40
- Do you have interlocal agreements with other law enforcement agencies? If so, which agencies?
No
- Plan for Proposed Law Enforcement Activities for FY15:

-To reduce motor vehicle crashes by 1% from the year 2013 number of 651 crashes to 644 crashes by the end of FY2015.
-To reduce the number of motor vehicle fatalities by 100% from the year 2013 number of two (02) fatlity to zero (0).
-To reduce the number of motor vehicle crashes involving alcohol by 10% from the year 2012 number of fifteen (15) to eleven (11) by the end of FY2015.
-Conduct twenty (20) checkpoints in FY2015
-Increase the number of DUI/DWI arrest from 78 to 86 in FY2015
-Increase the number of speed citations from 1434 to 1577 in FY2015
-Provide overtime to officers to reach goals and objectives.
-Participate in training courses and conferences which pertain to and assist in achieving outlined goals and objectives.
Purchase and implement new equipment in the field to gather data which will assist in achieving outlined goals and objectives.

B. Outreach: Please provide the following:

- Total Number of Employees:
68
- Total Number of Employees Who Work the Grant?
40
- Do you have other partners that you work with? If so, which partners?

No

- Plan for Proposed Outreach Activities for FY15:

Participate in State Click it Or Ticket Campaign. Increase awareness to the community through local civic and community meetings and events.

Personnel Title	% of Time	Hourly Salary	# of Hours	Sub-total	Fringe	Line Total
				\$0.00	\$0.00	\$0.00
				\$0.00	\$0.00	\$0.00
				\$0.00	\$0.00	\$0.00
				\$0.00	\$0.00	\$0.00
				\$0.00	\$0.00	\$0.00
				\$0.00	\$0.00	\$0.00
				\$0.00	\$0.00	\$0.00
TOTALS					\$0.00	\$0.00

Proposed Project Staff:

Additional Information:

- 3. Prosecutions and Adjudication.** Please submit information for the program area in which you are applying. Agency citation conviction rate to include DUI, hazardous moving violations, child restraint, etc. dependent upon request for funding source/area. (Outreach-Where Applicable)

Type of Citation	Conviction Rate
Impaired Driving	90%
Seatbelt Violation	98%
Child Restraint Violation	98%

Additional Information:

- 4. Public Information and Education.** Please describe your plans for public information and education, to include but not limited to media campaigns, public events, school presentations, etc. Please give information on how many per quarter.

-Clinton will participate in all NHTSA media campaigns for Driving Sober or Get Pulled Over. Clinton will work with the local media to spread the message of impaired driving.

-The School Resource & D.A.R.E. Officer's will incorporate a highway safety message into his/her school presentations at least once per quarter.

-Clinton has begun utilizing local and social media outlets over the past year to provide information to the public about various Police activities and will continue to utilize this outlet during the FY15 Grant period.

Additional Information:

- 5. Policy.** Please check and attach a current copy of the policies listed below. If you do not have the policy, please explain in the additional information section.

<u>Current Policy:</u>	<u>Yes & Attached:</u>	<u>No:</u>
Seatbelt Policy	YES	
Pursuit Policy	YES	
Written Warning Policy	YES	
Check Point Policy	YES	
Saturation Patrol Policy		NO
DUI Enforcement Policy	YES	
Payroll Policy-Overtime	YES	
Payroll Policy-Payroll Schedule (Payroll Period begin/end dates & check date)	YES	
Payroll Policy-Leave Time (vacation, sick leave, holiday and compensation time)	YES	
Seatbelt Survey Procedure Policy		NO
Banning Text Messaging While Driving		NO

6. Additional Information:

C. Required Performance Reporting Evaluation. Subgrantee agrees to submit all required reporting documentation by the scheduled date(s) as defined in the contract by MOHS. Check all that apply:

☐	Monthly Cost Reporting Worksheets for Reimbursement (Individual Officer Report/Step Forms and/or Activity Sheets)
☐	Supporting documentation for reimbursement
☐	Quarterly Reports
☐	Blitz Report Information
☐	Travel Reimbursements
☐	Budget Modifications
☐	Distribution Plans for Promotional Items
☐	Inventory Control Forms for equipment and supporting documentation for reimbursement
☐	Closeout Documentation

Additional Information:

D. Training: Include a detailed assessment of traffic safety training needs within the program area in which you are applying and how this need will be met. (i.e. SFST, ARIDE, DRE, CPS, etc.)

The Clinton Police Department sends Officers annually through the SFST course offered by S.T.O.R.M., and at current has on staff an SFST/DRE instructor. Additional ARIDE and CPS training would help to enhance officers knowledge and ability to better perform traffic enforcement as these courses become available.

E. Travel: Include a detailed assessment of travel needs within the program area in which you are applying. Also include a cost estimate for all travel needs (airfare, hotel, per diem, mileage, parking, baggage and other travel related expenses. (Based on current state and federal guidelines).

Purpose of Travel:	Number of People:	Cost:	Total:
NA			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
TOTALS		\$0.00	\$0.00

F. Distribution Plan for Promotional Items: Include a detailed assessment of promotional item needs within the program area in which you are applying. Please include event, type of item requested, estimate number of items needed and purpose for each event.

Proposed Event	Items Requested	Number of Items	Purpose of Event
----------------	-----------------	-----------------	------------------

Additional Information:

The Clinton Police Department will utilize existing promotional material associated with State Traffic Enforcement Initiatives such as Click it or Ticket & Driving Impaired Enforcement program and distribute the same at local community meetings and events as the materials are available.

G. Equipment: Please list the cost for each piece of equipment requested. Please note: Federal guidelines require equipment purchased must be essential to the project. All equipment must be approved by MOHS and/or NHTSA and be included on the Conforming Product List (CPL) and must be used specifically for the purposes for which is purchased. CPL list can be found at <http://www.nhtsa.gov/people/injury/alcohol/carryout/index.htm>

Equipment	# requested	Cost (each)	Line Total
Radar recorder & kit	1	\$4,035.00	\$4,035.00
Radar recorder	1	\$3,550.00	\$3,550.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
			\$0.00
TOTALS			\$7,585.00

Please describe how equipment will be used for grant purposes?

- This equipment will be utilized to gather real-time data on vehicular speeds, time of day and location of incidents to assist in comprising specific enforcement plans to maximize patrols traffic enforcement actions/efforts.

Additional Information:

Mississippi OFFICE OF HIGHWAY SAFETY

Agreement of Understanding and Compliance

The Agreement of Understanding and Compliance documents will be attached within the Grant Agreement. The Applicant will be required to sign all compliance documents upon receipt of the finalized Grant Agreement between the State, MOHS and applicant. The following compliance agreements will be included in the Grant Agreement.

State and Federal Certifications and Assurances

- I. REIMBURSEMENT OF ELIGIBLE EXPENSES
- II. ON-SITE MONITORING AND EVALUATION
- III. PROPERTY AGREEMENT
- IV. STAFFING
- V. GENERAL PROJECT REQUIREMENTS
- VI. UNALLOWABLE COST
- VII. NONDISCRIMINATION
- VIII. THE DRUG-FREE WORKPLACE ACT OF 1988 (41USC 8103)
- IX. BUY AMERICA ACT
- X. POLITICAL ACTIVITY (HATCH ACT)
- XI. CERTIFICATION REGARDING LOBBYING
- XII. RESTRICTION ON STATE LOBBYING
- XIII. CERTIFICATION REGARDING DEBARMENT AND SUSPENSION
- XIV. POLICY ON SEATBELT USE
- XV. POLICY ON BANNING TEXT MESSAGING WHILE DRIVING
- XVI. ENVIRONMENTAL IMPACT

Additional MOHS Program Compliance Documents

Due to requirements of Map-21, MOHS has not completed all necessary program compliances for the FY15 Grant Agreement documents. A complete and finalized copy of all program compliances will be attached with Grant Agreements.

STATE CERTIFICATION AND ASSURANCE

Assurance Requirement of Subgrant Recipients:

In cooperation with the Mississippi Office of Highway Safety, all grant and/or subgrant recipients (regardless of the type of entity or the amount awarded) must comply with the following notice requirement:

During any occurrence or time period for application, selection, award, implementation or close out of a grant or an award, if the grantee, sub-grantee, or recipient: plans, organizes, sponsors or holds any seminar, conference, convention, symposium, training, event or any other meeting which encumbers, utilizes, expends or will encumber, utilize or expend grant funds, including all reimbursements derived from, generated in whole or in part, or determined to be proceeds of the grant or award; the grantee, sub-grantee or recipient must appropriately notify in writing, the MOHS grant manager, the MOHS director and/or the DPSP executive director of the planning for such an occurrence and afford opportunity for DPSP-MOHS personnel to attend and to participate, if they so desire.

Failure of grantee, sub-grantee or recipient to communicate relevant advance notice may lead to cost adjustment, disallowance of costs and/or recovery of pertinent project funds on the basis of off-set levied against any and all advanced funding, requests for reimbursements, or award of funds.

As the Authorized Official for, CITY OF CLINTON, MISSISSIPPI POLICE DEPARTMENT (grantee, sub-grantee, or recipient), I certify by my signature below, that I have fully read and am cognizant of our duties and responsibilities under this requirement. Therefore, I promise and will comply with this State Certification and Assurance condition.

Authorized Official's Signature (Grantee, Sub-grantee or Recipient)

LOCAL GOVERNMENTAL RESOLUTION
AGREEMENT AND AUTHORIZATION TO APPLY

WHEREAS, the Clinton MS Police Department

(Governing Body of Unit of Government)

herein called the "**APPLICANT**" has thoroughly considered the problem addressed in the application (entitled) and has reviewed the project described in the application; and

WHEREAS, under the terms of Public Law 89-564 as amended, the United States of America has authorized the Department of Transportation, through the Mississippi Office of Highway Safety to make federal contracts to assist local governments in the improvement of highway safety,

NOW THEREFORE BE IT RESOLVED BY THE City of Clinton Board of Alderman

(Governing Body of Unit of Government)

IN OPEN MEETING ASSEMBLED IN THE CITY of CLINTON, **MISSISSIPPI,**

THIS 4th **Day of** MARCH, **20 14** **AS FOLLOWS:**

1. That the project above is in the best interest of the Applicant and the general public.
2. That the Chief of Police, Michael J Warren be authorized to file, on behalf of the
(Name and Title of Representative)
Applicant an application in the form prescribed by the Office of Highway Safety for federal funding in the amount of \$ 56,052.50 to be made to the Applicant defraying the cost of the
(Federal Dollar Requested)
project described in the application.
3. That the Applicant has formally agreed to provide a cash and/or in-kind contribution of \$ 14,517.50 as required by the project.
(Local Match Amount)
4. That certified copies of this resolution be included as part of the application referenced above.
5. That this resolution shall take effect immediately upon its adoption.

DONE AND ORDERED IN OPEN MEETING BY:

(Chairman/Mayor - Blue Ink)

Alderman
Commissioner/Councilman Cashion offered the foregoing resolution and moved its adoption, which was seconded by Commissioner/Councilman Leggett and, was duly adopted.
Alderman

SOFTWARE LEASE AGREEMENT

This SOFTWARE LEASE AGREEMENT is entered into, by and between Application Data Systems, Inc., a Mississippi corporation located at 1930 First Commercial Dr, Southaven, MS 38671 (hereinafter the "Lessor"), and City of Linton, Mississippi located at 300 JEFFERSON STREET, Linton, MS 39056 (hereinafter the "Lessee"), to lease its Software Product set forth in Exhibit A. Effective this 4th day of MARCH, 2014 upon the terms and conditions hereinafter set forth, for the consideration stated herein.

Description

ADSi CADForce, DataForce Court, and DataForce Law Enforcement

SOFTWARE LOCATION: (IF OTHER THAN ABOVE ADDRESS OF CUSTOMER)

Term of Lease	1 year
No. of Lease Payments (monthly):	12

Rental Payments payable as follows:

Lease Payment:	\$3,800.00
Insurance Costs (if applicable):	\$0
Applicable Rental/Use Taxes to be Billed (or are included):	\$0
Total Payment Per Period:	\$3,800.00

TERMS AND CONDITIONS

1. **LEASE.** Lessor leases to Lessee and Lessee hereby hires and takes from Lessor the personal property consisting of certain proprietary computer software as set forth on the above lease schedule which shall include all replacement parts, additions, upgrades and bug maintenance as shown in Exhibit B (hereinafter referred to as the "Software"). The Software is and shall at all times be and remain the sole and exclusive property of the Lessor and Lessee shall have no right, title or interest therein or thereto except as to the use thereof subject to the terms and conditions of this Lease.
2. **RENTALS.** During and before the original term of the Lease, Lessee hereby agrees to pay rent to Lessor in the amounts set forth above, without deduction or setoff. All payments shall be made at the office of Lessor at 1930 First Commercial Dr, Southaven, MS 38671, or as otherwise directed by Lessor in writing.
3. **SECURITY DEPOSIT.** Lessor shall not require Lessee to pay a security deposit.
4. **LIMITED WARRANTY.** Lessor makes no warranties (express, implied or statutory) with respect to the Software and the accompanying written materials including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. In no event will Lessor be liable to Lessee for any direct or indirect damages including loss of profits, lost savings, loss of data, or other special incidental or consequential damages arising out of Lessee's use of or inability to use the Software. In no event, will Lessor's liability exceed the amount of the lease payments charged.
5. **TERM AND RENEWAL.** **The original and non-cancellable term of this Lease shall commence on the effective date as set forth above and shall terminate at the expiration of one (1) year. This Lease shall automatically renew for an annual term at the expiration of the original term; unless Lessee provides a notice of cancellation, thirty (30) days prior to expiration of the current term.**
6. **SOFTWARE ACCEPTANCE.** Lessee's execution of this Agreement acknowledges that all Software set forth above was received and installed and is in good and operable condition and that Lessor has fully and satisfactorily performed all covenants and conditions to be performed by it under this Lease Agreement.
7. **PLACE OF USE.** Lessee shall keep the Software at its place of business as specified above. Lessee covenants and agrees not to allow the use of the Software by other businesses, entities or individuals and that said Software shall be used only on the work stations authorized by this Lease. Lessee further covenants and agrees not to copy, rent, sublease, license, transfer, donate,

- commercially exploit, reverse engineer, decompile, disassemble (or allow the same to occur) the Software, or any part thereof.
8. **USE AND RETURN OF SOFTWARE.** Lessee shall exercise due and proper care in the use of the Software. Upon expiration or termination of this Lease, Lessee, at its sole expense, shall forthwith pack and return the Software to Lessor at 1930 First Commercial Dr, Southaven, MS 38671 or such place as may be designated by Lessor in the same condition as when received by the Lessee, reasonable wear and tear alone excepted.
 9. **TITLE.** All of the Software shall remain personal property and the title thereto shall remain with the Lessor at all times. Lessee shall keep the Software free from any and all judgments, liens and encumbrances. Lessee shall give Lessor immediate notice of the attachment or other judicial process, lien or encumbrance affecting the Software and shall indemnify and save Lessor harmless of and from any loss or damage caused thereby.
 10. **CONFIDENTIALITY.** During the course of this Agreement, either party may have or may be provided access to the other's proprietary items or confidential information ("Confidential Information"). Each party agrees to maintain the confidentiality of the other's Confidential Information in accordance with this provision and any separate nondisclosure agreement that expressly references the disclosure(s) between Lessor and Lessee. At a minimum, each party agrees that it shall not make the other's Confidential Information available to any third party without the written consent of the other and that title and ownership of the Confidential Information provided by one party to the other shall remain the exclusive property of that party who has the right to possess the Confidential Information.
 11. **RIGHT OF INSPECTION.** Lessor, its agents and representatives shall have the right at any time during usual business hours to inspect the Software and for that purpose to have access to the location of the Software.
 12. **NON-WAIVER.** Lessor's failure at any time to require strict performance from Lessee of any of the provisions hereof shall not waive or diminish Lessor's right thereafter to demand strict compliance therewith or with any other provision. Waiver of any default shall not waive any other default. Lessor's rights hereunder are cumulative and not alternative.
 13. **POSSESSION OF SOFTWARE.** Lessor covenants to and with Lessee that Lessor is the lawful owner of said Software and that conditioned upon Lessee's performance of the conditions herein, Lessee shall peacefully and quietly hold and use the Software during the term of this Lease without hindrance.
 14. **DEFAULT.** If Lessee fails to pay any rent or other amount herein provided within thirty (30) days after the same is due and payable; or if Lessee fails to observe, keep or perform any other provision of this Lease required to be observed, kept or performed by Lessee; or if a petition is filed by or against

Lessee under the Bankruptcy Act or any amendment thereto (including a petition for reorganization or an arrangement); or if a receiver is appointed for Lessee and its property; or if Lessee commits an act of bankruptcy, becomes insolvent, makes an assignment for the benefit of creditors, or offers a composition or extension of any of its indebtedness; or if Lessee, without Lessor's prior consent, attempts to alter, modify, translate, decompile, disassemble, copy, sell, trade, transfer, encumber, pledge, sublease or in any way dispose of the Software, then Lessor or its agents shall have the right to exercise any one or more of the following remedies:

- a. Declare the entire amount of the rent hereunder immediately due and payable without notice or demand to Lessee.
- b. To sue and recover from Lessee an amount equal to the unpaid balance of any rent or other amounts due, or to become due, during the term of this Lease as well as reasonable attorneys' fees and other expenses incurred by Lessor in an attempt to enforce the provisions of this Lease.
- c. To sue for and recover damages for the Lessee's default.
- d. To demand and take possession of the Software without demand or notice wherever the same may be located, with or without court order. Lessee hereby waives any and all damages occasioned by such retaking of possession of such Software. Any said taking of possession shall not constitute a termination of this Lease and shall not relieve Lessee of its original obligations under this Lease unless Lessor expressly so notifies Lessee in writing.

Additionally, Lessor shall have upon default such other and further remedies and rights as may be available at law by reason of the Lessee's default.

- 15. **ASSIGNMENTS.** Neither Lessee nor Lessor shall assign any rights or obligations herein with regard to this Lease without the written consent of the other party.
- 16. **RISK OF LOSS.** Lessee hereby assumes and shall bear the entire risk of loss, theft, damage and destruction of the Software from any cause whatsoever and no loss, theft, damage or destruction of the Software shall relieve Lessee of any obligations under this Lease and this Lease shall remain in full force and effect. Lessee shall promptly notify Lessor in writing of any such loss, theft, damage or destruction of the Software.
- 17. **BINDING AGREEMENT.** This Lease shall be binding upon the Lessee and its heirs, legal representatives, successors and assigns and shall inure to the benefit of the Lessor, its successors, legal representatives and assigns.

18. GOVERNING LAW. THIS AGREEMENT SHALL BE DEEMED TO BE MADE AND EXECUTED IN HINDS COUNTY, MISSISSIPPI AND SHALL BE INTERPRETED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MISSISSIPPI.

19. SEVERABILITY. If any provision hereof or any remedy herein provided for is invalid under any applicable law, such provision shall be inapplicable and deemed omitted. However, the remaining portions herein, including remaining default remedies, shall be given full force and effect in accordance with the intent of this document.

20. **NO OTHER AGREEMENTS.** This instrument dated on MARCH 4, 2014 contains the entire agreement between the parties hereto with respect to the subject matter contained herein. There are no other agreements, written or unwritten, that shall bind the parties.
